RE: Prescription information

---

The Association of Washington Cities (“AWC”) announced some changes to the prescription benefit in a brochure entitled “Your Prescription Coverage”. This brochure was mailed to the home of all active employees. It was recently discovered this information was not sent by AWC to LEOFF I retirees. Enclosed is a copy of this brochure for your information.

For your convenience, also enclosed is a brochure on the mail order prescription program described in the “Your Prescription Coverage” brochure.

I hope this information is helpful. If you have any questions on your in-pharmacy or mail-order pharmacy benefit, contact AWC at 1-800-562-8981 or via email at [benefitinfo@awcnet.org](mailto:benefitinfo@awcnet.org)

If you have any other questions, please do not hesitate to contact me at (425) 803-1901.
