

Addendum #2
2017 Aerial Mapping Project
Request for Proposals
Job #48-16-IT

The RFP for 2017 Aerial Mapping Project is amended as follows:

Addendum to questions and answers: The City of Bellevue GIS impervious data set was last updated in 2012, and contains streets, sidewalks, parking lots, buildings, bridges, etc. Building roofline count was provided earlier.

Addendum issued on November 3, 2016.
