The Kirkland Cultural Arts Commission (KCAC)

The Kirkland Cultural Arts Commission is responsible for helping the City Council implement the Public Art Vision in Kirkland. The Cultural Arts Commission a volunteer advisory board that works to help arts, culture and heritage grow and thrive in the City of Kirkland. Along with supporting art and cultural initiatives, the Cultural Arts Commission promotes strategic arts planning and advises the City Council on art acquisition in Kirkland.

KCAC Mission

The Cultural Arts Commission curates and advises the City Council on public art acquisitions and loans, and reviews and recommends projects under the City's "one percent for the arts" program.

KCAC Goals:

- Curate the growth of a diverse public art collection
- Facilitate exposure to public art
- Encourage community dialogue through public art
- Use public art to reflect the characteristics of the greater Kirkland community
- Determine that the art is appropriate for its location

PUBLIC ART ACQUISITION GUIDELINES

Proposed public art acquisitions shall be reviewed by the Cultural Arts Commission with recommendations to the City Council. For a proposed public art acquisition to be sited in a park, a recommendation from the Kirkland Park Board will also be requested. A recommendation will be requested from affected boards, commissions, organizations, and associations when appropriate.

Proposed public art acquisitions will be evaluated on the following:

- A. The quality and aesthetic merit of the art work.
- B. Context within the city collection should be considered with the following criteria:
 - a. Does art work enhance the existing collection or add diversity?
 - b. How does the piece engage the public?
 - c. Are the materials appropriate?
 - d. Is the piece susceptible to vandalism or graffiti?
- C. Coordination with the Park Board or other affected commissions and departments concerning siting, costs of installation, and maintenance of art work.
 - a. Availability of an appropriate site.

- b. Appropriateness in size, scale, material, form and style for the area in which it is to be placed.
- c. Condition, durability, installation, and maintenance requirements of the art work.

D. Donor conditions, if applicable.

E. If applicable, loaned artwork can be purchased if there is sufficient public support to acquire it via public fundraising or City Council action.

Other Considerations:

- Whenever appropriate, siting decisions will be determined by a public art jury made up of surrounding neighbors, businesses, or associations (e.g., business or neighborhood) impacted by an art work location.
- For a work proposed for loan to the City, the owner or owner's representative will be required to enter into an Art Display Agreement setting forth the length of the loan and other terms such as location, maintenance requirements, insurance, value of art work, installation and removal responsibility, and other conditions pertinent to the agreement.
- Donated or loaned art work will include identifying plaques if accepted by the City.
- Donated or loaned art may be declined at the discretion of the City consistent with the criteria in the public art policy guidelines.
- All accepted donated works become part of the City art collection and, as such, may be relocated.
- Unrestricted monetary donations to help fund public art acquisitions will be accepted at any time. Donations with conditions or restrictions such as use for acquisition of a specific artwork or theme will be reviewed and accepted in accordance with this policy, and declined if the conditions or restrictions are not approved.

TEMPORARY ART EXHIBITS

Objectives

To provide procedures and opportunities for the temporary exhibit of art work in cooperation with art galleries and other organizations and to showcase artists, promote awareness and foster education regarding public art in the community. The City currently has several locations and pedestals located in the downtown that provide for the display of temporary public art. Other venues throughout the community, in public facilities and neighborhoods will be encouraged.

Guidelines

- Proposed use of the existing pedestal locations for art work in public parks or rights-of-way shall be reviewed by the Cultural Arts Commission in coordination with Parks and Community Services for installation assistance (if required) and Public Works for any permit requirements.
- Art Display Agreements will be required.

Updated: September, 2016

- Hosting temporary indoor and outdoor public art exhibits shall be reviewed by the Cultural Arts Commission with recommendation to City Council. If appropriate, partnerships with other arts organizations, agencies, and the business community will be encouraged.
- Length of term on loans will be established in artwork loan agreements and reviewed by the commission on an individual basis.

PARK LANE OUTDOOR ART GALLERY

- An outdoor art gallery located on Park Lane is intended to display temporary art for sale to the public.
- No more than six pieces of art will be displayed at one time on city-owned plinths that have been installed in the public right-of-way.
- The Cultural Arts Commission will accept sculpture display applications on a rolling basis and curate the selection of art.
- Art will be displayed for 12-18 months unless it is sold at which time the display term may be shortened, and the art replaced with another selected piece.
- Unlike other pieces of temporary art where the process calls for City Council consideration of recommendations made the Cultural Arts Commission, outdoor art gallery work will only require Cultural Arts Commission approval.

CROSS KIRKLAND CORRIDOR EPHEMERAL ART

The Cross Kirkland Corridor (CKC) is a civic open space and active transportation connection. Art on the CKC has been envisioned as one more civic expression of the city and its residents, and as a catalyst for the corridor becoming a sought after destination for visitors to the city. Reference the CKC Masterplan and CKC Art Integration Plan for further detail.

One type of art that is encouraged on the CKC is Ephemeral Art, art which is built to last only a short period of time. These artworks are often left to degrade in natural environmental conditions. Examples of such art include: art made out of natural material, water soluble painting. Ephemeral Art can also be art performances or art installations that are created and then dismantled after their exhibit.

- Ephemeral art, visual or performance art or some other art expression, shall be allowed on the corridor for no more than 60 days, and in this way distinguished from permanent art and other temporary art
- Stakeholders, representatives from the KCAC, representatives from the CKC Steering Committee, Office of the Special Events Coordinator and others as deemed appropriate shall be included in conceptual review of the art
- Approval of the art will require recommendations from these stakeholders and any other affected City departments with final approval vested in the KCAC
- In reviewing the art concept, the KCAC and other parties to the decision shall take into account:
 - The compatibility of the concept in the proposed character zone of the Cross Kirkland Corridor and the Cross Kirkland Corridor Art Integration Plan.

- The compatibility and sensitivity of the art to its natural surroundings and particularly critical areas
- The compatibility and sensitivity of the art to abutting neighborhoods, business districts and schools
- That the art not impede transportation flow – bike and pedestrian- on the CKC, or connections from the CKC
- That artists or event producers be charged with making sure the art remains in good condition while on display, (is not a safety hazard or the target for graffiti) and that it is removed if the latter conditions ensue
- That artists and event producers abide by the city events policies and also business licensing and insurance requirements
- The artists and or event producers will be required to leave the location or locations of the art as they found them unless exceptions are made

ADDITIONAL MEMORIAL PUBLIC ART CONSIDERATIONS

- Donation of memorial artwork can honor the memory of an event (contemporary or historical), an occasion, an outstanding member of the community, or serve a similar purpose.
- Proposed memorial public art shall be reviewed by the Cultural Arts Commission with recommendation to the City Council. The Cultural Arts Commission will work with the donor and relevant City Departments to recommend an appropriate site for the work. For proposed memorial public art to be sited in a park, a recommendation from the Kirkland Park Board will also be requested.
- Proposed commissioned memorial art shall not ordinarily honor a living person, unless that person has made a significant and outstanding contribution to the arts or civic service. A waiting period of at least one year should elapse from the time of (1) the initial nomination of the living individual, (2) the passing away of the deceased individual(s) or, (3) the occurrence of the event in order to be eligible for consideration as a commissioned memorial public art work.
- The proponent(s) of commissioned memorial art will approach the Cultural Arts Commission with several ideas for the intended public art. The Cultural Arts Commission will establish a dialogue with the proponents and other affected city departments. As a result of this dialogue, the Cultural Arts Commission will make a recommendation to the City Council. The recommendation may endorse one of the proponent's proposed ideas or may recommend a different design approach or public art location.
- Celebratory gifts may be commemorative in nature, or may mark a life event such as: the birth of a loved one, an anniversary, a graduation, a business, or a celebration of an event or a group.
- Memorials accepted by the City become a part of the City art collection and, as such, may be relocated.

Proposed memorial public art will be evaluated on the following criteria:

- A. The fit of the art work with the overall character of public art already on display throughout the city.
- B. The timeless qualities of the art work, including its significance and appeal to future generations. Memorial proposals honoring individuals or a personal event should be represented in a form that has a broader community interest and moves the viewer to a

special experience. Examples include community parks, landscaped gardens and plazas, sculpture and art works, plaques about history or the environment, poetry, fountains, park benches, and site furnishings.

- C. The art work's success in expressing the spirit of the person(s) or event to be commemorated.
- D. Memorial artwork should not set a precedent that goes against the criteria outlined above. Artwork should be congruent with the existing collection, its immediate environment and site specific existing artwork.
- E. The artistic merit of the art work.
- F. The proposed location of the art work. The location should be an appropriate setting for the memorial and should not interfere with existing and proposed circulation and use patterns. It is recognized that a particular location may reach a saturation point and it would then be appropriate to consider limitations or a moratorium on future memorial installations at that location or area.
- G. The fit in terms of the size, scale, material, form and style for the area in which it is to be placed.
- H. Condition, durability, installation, and maintenance requirements of the art work.

DEACCESSION OF ART WORK

Objectives

Guidelines

Deaccessioning should be cautiously applied only after careful and impartial evaluation including input from the Cultural Arts Commission, art professionals, the public, the artist, and final review and decision by the City Council

- Deaccessioning of art work may be considered for one or more of the following reasons:
 - A. The condition or security of the art work cannot be reasonably guaranteed in its present location.
 - B. The art work presents a public safety risk.
 - C. The art work is damaged and repair is not feasible.
 - D. Significant changes in the use, character or actual design of the site require a re-evaluation of the art work's relationship to the site.
 - E. The art work requires excessive maintenance or has failures of design or workmanship.
 - F. The art work no longer meets the mission and goals of the Public Art Policy.

RELOCATION OF ARTWORK

- A. The condition or security of the art work cannot be reasonably guaranteed in its present location.
- B. The art work presents a public safety risk.
- C. Significant changes in the use, character or actual design of the site require a re-evaluation of the art work's relationship to the site.
- D. A more suitable location for the artwork has been proposed.

Procedures for possible deaccessioning or relocation of art work shall be initiated by a majority vote of the Cultural Arts Commission or direction from the City Council. The following describes specific procedures for deaccessioning or relocation of artwork.

- A. Review of any restriction which may apply to the specific work.
- B. Assessment of options for storage or disposition of art work, which may include sale, trade, return to the artist, or gift.
- C. Analysis of reasons for deaccessioning and recommendation to City Council for the final decision. The Cultural Arts Commission may seek additional information regarding the art work from the public, the artist, art galleries, curators, appraisers, or other professionals prior to making a recommendation.

PUBLIC ART JURIES FOR COMMISSIONED WORKS OF ART

- The Cultural Arts Commission may convene a jury to review individual public art memorials or acquisitions. The Commission will convene a jury when the public art work to be considered is a commissioned piece and is not an already completed work of art.
- Candidate jurors can include but will not be limited to: artists, architects, landscape architects, engineers, urban designers, representatives from the community, art professionals and other stakeholders.

- A jury shall not ordinarily be comprised of more than 50% membership from the Cultural Arts Commission.
- Proposals for commissioned works shall include:
 - A. A three-dimensional model (when appropriate) or complete drawing of a two-dimensional work
 - B. Drawings or photographs that demonstrate the relationship of the artwork to the site

 - D. Installation details
 - E. Description of routine maintenance and estimate of maintenance costs

- F. Approval for the installation and use of site by the appropriate city department(s)
- G. Artist's resume
- H. Budget and schedule

PUBLIC INPUT FOR PUBLIC ART OPPORTUNITIES

Objective

To encourage community involvement in art, cultural and heritage activities, the City Council may seek community input on public art decisions.

- After City Council receives the recommendation from the Cultural Arts Commission and/or Public Art Jury, the Council, at its discretion, may seek broader community input on the recommendation before making a decision to acquire and site public art, to approve temporary and memorial art, or to deaccession art.
