

Art Cart

Developed by the Kirkland Cultural Arts Commission
through 4Culture funding

The Art Cart was developed as part of the [Kirkland Cultural Arts Commission's \(KCAC\)](#) greater mission to enrich our community through dynamic art opportunities. The KCAC designed the Art Cart as an adaptable program, free to the public and targeting children ages 5-16 and their families. The cart will be facilitated by an Arts Commissioner or volunteers and provide flexible project ideas adaptable to outdoor and indoor spaces. The Art Cart provides hands-on-projects that include drawing/painting and writing with the objectives of having fun while doing something unique. Projects encourage observation of art and the natural environment.

Short-Term Objectives:

- Having fun, doing something unique and encouraging observation of art and the natural environment
- Increasing art opportunities within the community
- Providing activities to be experienced as a family
- Bringing a mobile art classroom to children in the community who are in housing transition

Long-Term Objectives:

- Increased appreciation for art and culture
- Broaden awareness of KCAC and strengthen its ties within the community
- Connecting children from diverse segments of the community through art experiences
