Boat noise ordinance now in effect

The Kirkland Police Department and King County Sheriff's Office Marine Unit ask for your cooperation in complying with the new public disturbance regulations that apply to watercraft (Kirkland Municipal Code 11.84A.070). Prohibited noise includes frequent, repetitive or continuous sounds from a horn or siren; excessive engine noise; and audio sound system noise audible from 300 feet or more. Please be considerate of your boating and land neighbors.
