Wednesday, July 16
Action Minutes

Members Present: Bob Larson, Boris Srdar, Sinclair Jones, Matthew Grager, GG Getz, Merrily Dicks

Staff: Lynn Stokesbary, Tracy Burrows

Action: The Council approved a motion to accept the donation of the “Spring” sculpture for installation at Houghton Beach Park in a landscaped bed by the boat launch parking area. (Note: the Parks Board also formally approved this installation on 7/16.)

Minute for the Arts: Bob led a session of Haiku poetry writing.

Action: Discussion of completed LTAC grant application. The Council applied for \$15,500 in funding for downtown wayfinding signs and kiosks.

Coordination with KDL: Merrily will approach the KDL with a request that the Cultural Council be given time on a KDL agenda to introduce themselves and that a Cultural Council member be appointed to the Board as a liaison. GG volunteered to take on that role. If KDL declines to add a new board member, Merrily will act as a liaison for the group.

Wednesday Market Grant: The planning for the Wednesday Market is going forward. The group reviewed the banner and made some changes to it. The Council has prepared a call for artists and guidelines for artists. Merrily and GG are working on scheduling the dates. Matthew agreed to recruit helpers for the set-up and take down of the displays. Volunteers will be eligible for community service hours.
