

IMPORTANT INFORMATION

Regarding Your Waste Management Cart Delivery Schedule

Beginning July 1, Waste Management will be your new garbage, recycling and food/yard waste service provider. As your new service provider, Waste Management will deliver new carts for all three services and remove your old carts. We will not remove your personal garbage cans at this time.

Cart delivery and removal will begin the week of 6/20 and continue through the week of 6/27. (Important: delivery and removal of your garbage and recycling carts is determined by your current Allied Waste recycling week.)

Please make sure to put out your carts even if they are not full.

Garbage and Recycling Cart Delivery Information

* Everyone will receive a new food/yard waste cart. (Yard waste is included with your weekly service at no extra cost.)

THINK GREEN.®

OTHER IMPORTANT INFORMATION

- Your collection day and updated recycling guidelines will be attached to your carts when they are delivered.
- The City of Kirkland requires that all customers use Waste Management-provided carts for their garbage, recycling and food/yard waste.
- Food/yard waste carts will be delivered to all customers. Food/yard waste service is included with your curbside service at no extra cost.
- We will not remove customers' personal garbage cans. If you are currently using a personal garbage can, we will deliver a new garbage cart equivalent in size (typically a 35-gallon cart). We recommend keeping at least one personal can to store any extra garbage you accumulate if service is delayed due to an inclement weather event.*

If you have any questions or experience difficulty with your cart delivery and removal, please call us at **1-800-592-9995**.

Thank you and we look forward to serving you.

Sincerely,
Your Waste Management Team

**If you would like to dispose of your personal garbage can or have limited space to store it, please set it out on your regularly scheduled collection day during the week of August 1, 2011 and we will pick it up as trash at no extra cost. Please label can for removal.*
