

2014 Neighborhood Safety Program Application

Workshop: April 17, 2014 | Application Deadline: May 8, 2014

Contact Information

Neighborhood Association: Evergreen Hill Neighborhood Chair: Johanna Palmer

Mailing Address: 12911 NE 128th Pl Kirkland WA 98034

Phone: 425-823-1385 E-mail: johanna@thepalmers.com

Project Coordinator: Johanna Palmer

Mailing Address: Same as above

Phone: _____ E-mail: _____

General Project Information

Project Name: 121st Ave NE Crosswalk Amount Requested \$ 50,000

(See Project Summary on Page 3)

Project Location: NE 132nd Street at 121st Ave NE

1. Please describe the safety problem or issue this project will address. (75-100 words)

The bike lanes are as wide as regular travel lanes. If a car is stopped for a pedestrian in the crosswalk or to make a left turn, cars pass on the right. This is an often used cross walk and is near a bus stop. It is also close to medical offices and Evergreen Health. Pedestrians are at high risk when cars pass on the right (and bicyclists)

2. Please describe how this project will address this safety need with a viable and creative solution resulting in a lasting, positive community impact. (75-100 words)

There are several possible solutions including sidewalk bump-outs, a left turn lane, or flashing beacon. We do not want to impede the travel of the buses. A flashing beacon would let cars know cars are stopped for a pedestrian not a left turn. A left turn lane would allow cars to not block the flow of traffic. Sidewalk bumpouts might slow down the cars passing on the right.
1 Safety for pedestrians, bicyclists, bicycles, and cars would be improved.

Neighborhood and Community Benefit (0–35 points)

3. Identify who will benefit from the project:

- Vulnerable population *pedestrians*
- Neighborhood(s) *Hazen Hills, Evergreen Hill, ~~Pat~~ Totem Lake*
- Community-wide residents
- Business(es) *medical offices & health care facilities*
 - Schools (e.g. walk routes)
 - Other: _____

Please describe how they will benefit (50 words or less): *The safety of this intersection and crosswalk would improve.*

This is a route from the neighborhood to Evergreen Health and Totem Lake Mall and Trader Joe's.

Neighborhood Association Support (0–10 points)

4. Identify your Neighborhood Association project ranking:

Neighborhood Association	Ranking (Priority 1, 2, 3)
<i>Evergreen Hill</i>	<i>#1</i>

Adjacent Resident Support (0–10 points)

5. What has been done to contact, involve and receive input from residents adjacent to the project? (20 words or less).
Please list residents contacted on the *Neighborhood and Community Support Form* (see Attachment A).

6. Please list any project concerns from adjacent residents (see Attachment A).

Community Support (0–10 points)

7. What has been done to contact, involve and receive input from the community for the project? (20 words or less).
Please list community members contacted on the *Neighborhood and Community Support Form* (see Attachment A).

Project was discussed at two EHNA general meetings.

8. Please list any project concerns from the community (see Attachment A).

Did not want to interfere with the bus access to the bus stop.

Project Partnership Contributions (0–5 points)

9. Identify community organizations, business partners, and residents contributing to this project and describe their anticipated role (50 words or less). Please see the following section for itemization.

Project Budget (0–10 Points)

10. Please submit the details of your project budget. **Part 1** to be completed by the Neighborhood Project Coordinator and show leveraged non-City contributions. **Part 2** will be completed by City staff and show the overall budget.

Part 1—Project Partnership Contributions—(To be completed by Neighborhood Project Coordinator)

Description	Non-City Contributions		
	Grant (\$)	Donation (\$)	Volunteer Hours (#)
<i>Flag monitoring (ongoing)</i>			<i>6/year</i>
Total Partnership Contribution	<i>ϕ</i>	<i>ϕ</i>	<i>ϕ</i>

Part 2—Project Budget—(To be completed by City staff)

For City Use	
Description	Estimated Project Cost
Total Estimated Project Budget	

Project Summary—(To be completed by City staff)

For City Use		
Estimated Project Budget	Partnership Contributions	Amount Requested

Project Readiness (0–15 points)

11. Did the Project Coordinator attend Neighborhood Safety Program Workshop? Yes No

12. Project task list and timeline:

Tasks	Responsible Party	Start	Completion
Identify solution(s)	City w/neighborhood input	now	

13. If the project extends beyond 18 months, how will you ensure its long-term success (e.g. finding volunteers to manage pedestrian flags). *If flags remain at this location, we will recruit a volunteer from EHNA.*

Project Maintenance (0–5 points)

14. Please describe ongoing activities and costs associated with this project after completion.

Description	Project Maintenance	
	City (✓)	Neighborhood (✓)
<i>standard road / striping maintenance</i>		

Please submit Neighborhood Safety Program Application to:

City of Kirkland
 Kari Page, Neighborhood Services Coordinator
 123 5th Avenue, Kirkland, WA 98033
