

# 2014 Neighborhood Safety Program Application

Workshop: April 17, 2014 | Application Deadline: May 8, 2014

## Contact Information

**Neighborhood Association:** Evergreen Hill

**Neighborhood Chair:** Johanna Palmer

Mailing Address: 12911 NE 128<sup>th</sup> Pl, Kirkland, WA 98034

Phone: 425-823-1385      E-mail: Johanna@thepalmers.com

**Project Coordinator:** Lynda Haneman

Mailing Address: 13506 131<sup>st</sup> Ave NE, Kirkland, WA 98034

Phone: 206-300-7090      E-mail: lyndahaneman@att.net

## General Project Information

Project Name: Neighborhood Traffic Control

Amount Requested \$ 50,000

(See Project Summary on Page 3)

Project Location: NE 137<sup>th</sup> Pl/NE 134<sup>th</sup> Pl between 124<sup>th</sup> Ave NE and 132<sup>nd</sup> Ave NE

1. Please describe the safety problem or issue this project will address. (75–100 words)

Speed of vehicles on this road, which is a School Walk Route, is excessive speed. This road is an east-west connector between 124<sup>th</sup> Ave NE and 132<sup>nd</sup> Ave NE (Map included). Additionally, this roadway connects to 129<sup>th</sup> Pl NE which connects directly to Kamiakin Jr Hi and then John Muir Elementary. The road is heavily used by vehicles and pedestrians.

2. Please describe how this project will address this safety need with a viable and creative solution resulting in a lasting, positive community impact. (75–100 words)

Traffic calming circle at the intersection of NE 134<sup>th</sup> Pl and 129<sup>th</sup> Pl NE will cause vehicles to reduce their speed will traversing this route. This will provide a safer environment for pedestrians, bicylists, and other vehicles.

An alternative to a traffic calming circle might be two flashing red signs at either ends of this roadway.

**Neighborhood and Community Benefit (0–35 points)**

3. Identify who will benefit from the project:

- ✓ Vulnerable population
- ✓ Neighborhood(s)
- ✓ Community-wide residents
- ✓ Business(es)
- ✓ Schools (e.g. walk routes)
- ✓ Other: Anyone who walks, jog, bikes, or drives this road\_\_\_\_\_

Please describe how they will benefit (50 words or less):

All of the above. Slowing traffic to posted speed limits will provide a safer environment for everyone.

**Neighborhood Association Support (0–10 points)**

4. Identify your Neighborhood Association project ranking:

Neighborhood Association	Ranking (Priority 1, 2, 3)
Evergreen Hill	4

**Adjacent Resident Support (0–10 points)**

5. What has been done to contact, involve and receive input from residents adjacent to the project? (20 words or less).

Please list residents contacted on the *Neighborhood and Community Support Form* (see Attachment A).

Public notices for monthly meetings, neighborhood association website has information posted about the NSP, considered projects, and for sending suggestions.

6. Please list any project concerns from adjacent residents (see Attachment A).

None has been noted

**Community Support (0–10 points)**

7. What has been done to contact, involve and receive input from the community for the project? (20 words or less).

Please list community members contacted on the *Neighborhood and Community Support Form* (see Attachment A).

Attendees of EHNA meetings have discussed, and the group ranked importance by persons placing dots by their top 3 projects.

8. Please list any project concerns from the community (see Attachment A).

None noted

**Project Partnership Contributions (0–5 points)**

9. Identify community organizations, business partners, and residents contributing to this project and describe their anticipated role (50 words or less). Please see the following section for itemization.

As this project would be a city of Kirkland project, community volunteers would help in the process and construction as allowed. If vegetation is part of the traffic circle, community volunteers from the neighborhood association can help provide maintenance for weeding and cleanup as needed.

**Project Budget (0–10 Points)**

10. Please submit the details of your project budget. **Part 1** to be completed by the Neighborhood Project Coordinator and show leveraged non-City contributions. **Part 2** will be completed by City staff and show the overall budget.

**Part 1—Project Partnership Contributions—(To be completed by Neighborhood Project Coordinator)**

Description	Non-City Contributions		
	Grant (\$)	Donation (\$)	Volunteer Hours (#)
Traffic circle or flashing radar sign	\$50,000		
<b>Total Partnership Contribution</b>			

**Part 2—Project Budget—(To be completed by City staff)**

For City Use	
Description	Estimated Project Cost
<b>Total Estimated Project Budget</b>	

**Project Summary—(To be completed by City staff)**

For City Use		
Estimated Project Budget	Partnership Contributions	Amount Requested

**Project Readiness (0–15 points)**

11. Did the Project Coordinator attend Neighborhood Safety Program Workshop? Yes  X  No

12. Project task list and timeline:

Tasks	Responsible Party	Start	Completion

13. If the project extends beyond 18 months, how will you ensure its long-term success (e.g. finding volunteers to manage pedestrian flags).

**Project Maintenance (0–5 points)**

14. Please describe ongoing activities and costs associated with this project after completion.

Description	Project Maintenance	
	City (✓)	Neighborhood (✓)
If plantings in a traffic circle, EHNA will provide volunteers seasonally to maintain/weed vegetation.		

**Please submit Neighborhood Safety Program Application to:**

City of Kirkland  
 Kari Page, Neighborhood Services Coordinator  
 123 5<sup>th</sup> Avenue, Kirkland, WA 98033

For any questions or further information, please contact Kari Page at [kpage@kirklandwa.gov](mailto:kpage@kirklandwa.gov) or (425) 587-3011
