

2016 Neighborhood Safety Program Application

Application Deadline: February 9

(Note: One project location per application)

Contact Information

Neighborhood Association: Evergreen Hill NA Neighborhood Chair: Johanna Palmer

Phone: 425-823-1385

E-mail: johanna@[thepalmers.com](mailto:johanna@thepalmers.com)

Project Coordinator: Lile Ellefsen

E-mail: ellefsen4@comcast.net

General Project Information

Location: 142nd PL

Nearest Cross Streets: 124th Ave. NE

Project Cost Estimate: \$34,000

(Provided by City staff)

Project Type:

Bicycle Improvement

* Crosswalk Improvement

Intersection Improvement

Street Light(s)

Traffic Calming

Walkway Improvement (e.g., gravel, asphalt, trail)

Sidewalk Improvement (e.g., concrete, curb, gutter)

Other: _____

Project Description: Crosswalk across 124th Ave. NE at 142nd PL

(Optional: Attach diagram or pictures that visually describes your project idea.)

Neighborhood and Community Benefit (0-20 points)

1. Please explain how the project will address a recognized safety need (especially with a vulnerable population) and result in a positive and lasting neighborhood and community benefit:

This crosswalk would help people, mostly kids cross the street near the Kingsgate library get to and from the library from their home or apartment (apartments at this site directly faces 124th Ave. NE). Traffic on 124th is getting busy as growth continues especially with drivers using this roadway to bypass the new toll 405 lanes. Getting pedestrians, bikers and runners across this street is increasingly difficult. In addition it would benefit bus riders as there is a bus stop at this location as well. A crosswalk with a center island would be a huge benefit to the surrounding neighborhoods.

Neighborhood Association Support (0-15 points)

2. Priority Ranking for this Project:

Priority 1 (10 points): 10

Priority 2 (5 points):

Please explain the process your neighborhood used to select and prioritize this project:
 All in a community meeting agreed that this would be beneficial to the neighborhood.

Project Readiness and Feasibility (0-15 points)

- 3. Did the Project Coordinator attend a Neighborhood Safety Program conference? Yes No
- 4. Did City staff evaluate scope, maintenance, and provide a cost estimate of the project? Yes No

Note: Please attach **Project Scope/Cost Estimate Worksheet** and supporting documents prepared by City staff.

Community Support (0-10 points)

- 5. Please list who you reached out to and gained support for your project (e.g., adjacent neighbors, businesses, schools, PTAs, and/or community groups like Kirkland Greenways).
 Neighbors in the area suggested this project.

Note: Please attach letter(s) of support for your project.

Project Partnership Contributions (0-10 bonus points)

- 6. Will there be financial contributions or volunteer hours for this project (e.g., trail construction or maintenance)? Not needed.

If so, please list below (use additional sheet if necessary).

Description	Non-City Contributions		
	Grant (\$)	Donation (\$)	Volunteer Hours (#)

Total Partnership Contributions			

Please submit Neighborhood Safety Program Application to:

City of Kirkland
Kari Page, Neighborhood Outreach Coordinator
123 5th Avenue
Kirkland, WA 98033

For any questions or further information, please contact Kari Page at kpage@kirklandwa.gov or (425) 587-3011.

2016 Neighborhood Safety Program Project Scope/Estimate Worksheet

Neighborhood Association: Evergreen Hill

Project Coordinator: Lile Ellefsen

Project Number: EH-1

Project Type: Crosswalk Improvement

Location: 124th Ave NE

Nearest Cross Street(s): NE 142nd Pl

City Staff: Lane Kawaoka

Total Cost Estimate: 34,000

Project Overview

Description	Yes	No	Comments
Safety Considerations			Traffic Group (TG) Comments on NSP Proposed Projects 1. New crosswalk at 124th Ave NE / NE 142nd Place a. OK for new crosswalk on north side to reduce conflicts with left-turning cars from 124th Ave to NE 142nd Pl. b. Has street light, is posted 35 MPH and has high traffic volume. c. Should have island – can fit it in but adds cost. d. Should be located 60 ft north of center of intersection to minimize impacts to turning movements and allow storage in center lane for cars turning left out of NE 142nd Pl. g. Need to build one new ramp (east side) and rebuild a ramp (west side). h. Put in island, ramps, flags and crosswalk this year. Next year, consider RRFB.
ADA Requirements			
Feasibility			
Ongoing Maintenance			
Traffic Calming			Note: If yes, refer project to Neighborhood Traffic Control Program (NTCP).

Project Scope

Description	Yes	Qty.	Comments	Cost Estimate
Bike Facility				
Striping				2,000
Other				
Crosswalk			North side of the road (due to turn lane).	
ADA Ramps	x	2	Need ADA ramps on both sides. Bus stops on both sides of 124 th Avenue NE.	10,000
Curb Bulbs				
Existing Connection				
Pedestrian Island			If this is an extruded curb/island. Otherwise the number doubles. Asphalt in the middle.	8,000
