

<b>Neighborhood Safety Program</b> <b>Panel Safety Criteria</b>	<b>Score</b>
<b>Neighborhood and Community Benefit (0-35 points)</b> <i>The community benefit is clearly explained. The project addresses a recognized community safety need especially with a vulnerable population with a viable, creative solution. The project expands and/or strengthens the community beyond the term of the project. The project will result in a lasting positive community impact.</i>	
Community benefit from the project: Vulnerable population           0-10 Neighborhood(s)                 0-5 Community-wide residents       0-5 Business(es)                     0-5 Schools (e.g. walk routes)       0-5 Other: _____                0-5	
<b>Neighborhood Association Support (0-15 points)</b> <i>Project was reviewed by the Neighborhood Association and received a priority ranking.</i>	
Neighborhood Association project ranking: Rank 1       15 Rank 2       10 Rank 3       5 None         0	
<b>Adjacent Resident Support (0-10 points)</b> <i>Adjacent residents were contacted and given an opportunity to provide support and input to the project.</i>	
Documented support from residents adjacent to project: High         5-10 Moderate    1-4 None         0	
<b>Community Support (0-10 points)</b> <i>Community residents are involved and support the project.</i>	
Documented support from the community: High         5-10 Moderate    1-4 None         0	
<b>Project Partnerships (0-5 points)</b> <i>Community organizations, business partners, and residents are contributing to this project and their roles have been identified.</i>	
High         4-5 Moderate    1-3 None         0	

**Neighborhood Panel Criteria, *continued***

<p><b>Project Budget (0-5 points)</b>  <i>The budget is realistic and well planned. The non-City contributions for the project are clearly documented.</i></p>		
<p>Project budget submitted:</p> <p>Complete and realistic            4-5          Incomplete and/or unrealistic 1-3          No budget submitted                0</p>		
<p><b>Project Readiness (0-15 points)</b>  <i>The Neighborhood Association Project Coordinator attended the Neighborhood Safety Program (NSP) workshop and understands the necessary aspects for project implementation and completion. In addition, a project timeline was submitted with the application and the activities are well planned and ready to implement. If the project extends beyond 12–18 months, there is demonstrated capacity to ensure its long-term success.</i></p>		
<p>Project Coordinator attended Neighborhood Safety Workshop:</p> <p>Yes            5          No            0</p>		
<p>Project timeline submitted:</p> <p>Complete and realistic            4-5          Incomplete and/or unrealistic 1-3          No                                        0</p>		
<p>Project Implementable in 12–18 months</p> <p>Yes            5          Maybe        1          No            0</p>		
<p><b>Project Maintenance (0–5)</b>  <i>Ongoing activities and costs associated with this project after completion are clearly described and there is a plan for how the project will be maintained and cared for.</i></p>		
<p>There is a project maintenance plan in place:</p> <p>Yes            5          No            0</p>		
<p><b>Total Score (100 points possible)</b></p>
