**MEMORANDUM**

**To:** Kurt Triplett, City Manager

**From:** Cherie Harris, Captain  
Eric Olsen, Chief of Police

**Date:** December 5, 2012

**Subject:** Interlocal Agreement – Regional Special Operations Unit

**RECOMMENDATION:**

That the City Council authorizes the City Manager to execute the attached Intergovernmental Cooperation Agreement allowing the City of Kirkland Police Department to become a member of the regional special operations unit named "North Sound Metro."

**BACKGROUND DISCUSSION:**

The Kirkland Police Department (KPD) currently deploys a part time special operations unit that includes both a tactical special response team (SRT) and a crisis negotiations team (CNT). These officers are trained and equipped to safely resolve the most dangerous of critical incidents such as high risk warrant service, armed barricaded subjects, active school shooters and hostage situations.

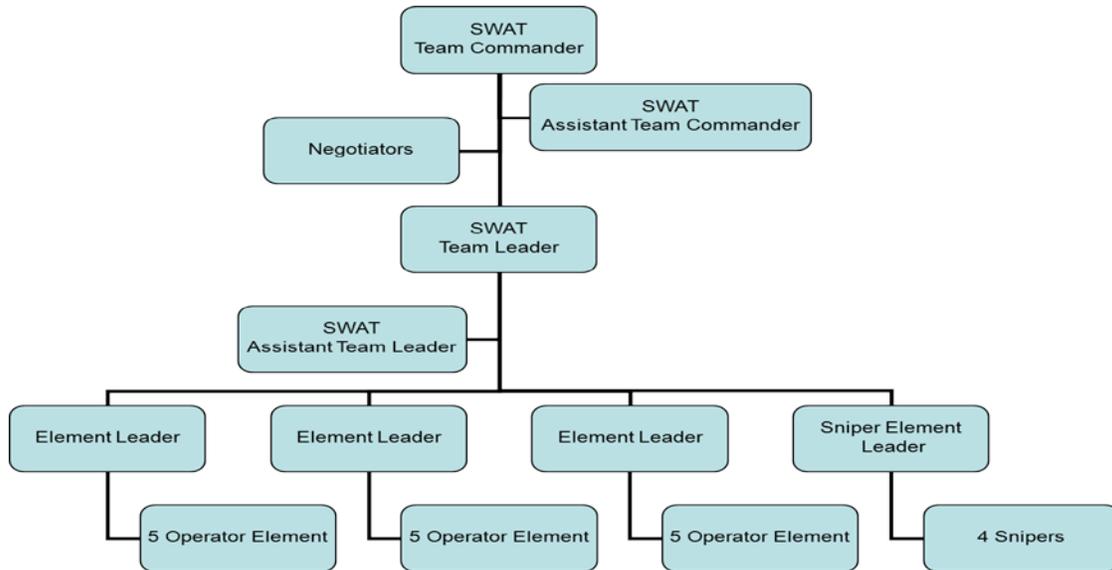

KPD currently is unable to meet the recommendations of both National and State Tactical Associations, which include higher training and deployment standards. The two most difficult standards to achieve include one 40 hour continuous training week and 24 individual days of training a year as well as staffing a minimum of 24 "operators" (officers). Other alternatives considered included adding 14-15 additional officers and or combining resources with neighboring departments. Unfortunately, these are not economically feasible choices at this time.

The Kirkland Police Department was recently invited to join a newly formed regional special operations unit made up of tactical officers from Lynnwood, Edmonds, Monroe, Bothell, Mountlake Terrace and Lake Forest Park known as North Sound Metro SWAT. By joining this regional team, Kirkland will be able to meet the training mandates while greatly increasing the deployment capabilities of the current Special Operations Unit.

The North Sound Metro SWAT team has approximately 19 active officers at this time and an impressive array of equipment to include a tactical robot and an armored car. They host three training days a months of which, Kirkland SRT members will be required to attend two. The

value of having three training days available is realized in scheduling flexibility and coordination of personnel.

The structure of the team is similar to Kirkland's SRT although has several additional layers in order to facilitate appropriate command and control.

Kirkland SRT members will have the opportunity to fill supervisory positions immediately with the strong possibility for command level positions in the future.

When responding to tactical incidents within the City of Kirkland, North Sound Metro's Team Commander will liaison with an on scene department Incident Commander which most likely will be a Lieutenant or Captain. Deployments do not always require the full team and can be scaled down depending on the nature of the critical incident. This means that Kirkland officers may not be deployed on every North Sound Metro SWAT call out. However, when needed Kirkland will have access to approximately 29 officers and additional command officers.

KPD currently authorizes 11 SRT members who train approximately 15 days a year and one 40 hour week. The forecast is to send 10 qualified SRT members to join the North Sound Metro SWAT team with the understanding that through attrition and promotion the department will maintain 8 positions in the future.

The North Sound Metro's CNT (Negotiators) function is not as strong as KPD's current team in that they do not deploy as often and their personnel have not demonstrated a strong commitment to responding on call outs. Kirkland's CNT officers will bring a higher level of professionalism and dedication to the team.

In conducting a budget analysis, the 2013 training costs are projected to be what was spent in 2012. This is primarily due to the ability to choose between the various training days and scheduling officers who are on duty as much as possible. The 2013 operating costs have been forecasted to include Kirkland's participation and are also similar to what the KPD currently spends on SRT ammunition and equipment. There are no additional CNT operating costs.

Each participating agency's Chief of Police is a member of the governing board who collectively approve the North Sound Metro SWAT team budget. KPD anticipates similar operating costs by joining the team. If the costs should exceed what the budget can accommodate, the Chief has the option to terminate the agreement with the North Sound Metro SWAT team.

This is a great opportunity for the City of Kirkland, KPD SRT members and CNT members to become part of a regional asset, while lowering the exposure and risk to the City, and staff recommends approval.

**WHEREAS**, the SWAT Team shall be specially trained and equipped to provide a cooperative and joint effort among the undersigned Cities' police departments to respond to and resolve criminal activity of a high risk nature in accordance with state and federal law.

**1. CREATION AND AUTHORIZATION.**

The undersigned Cities hereby create THE NORTH SOUND METRO SPECIAL WEAPONS AND TACTICS (SWAT) Team. The SWAT Team is hereby authorized and directed to achieve the objectives of this Agreement.

**2. OBJECTIVE.**

The primary objective of the SWAT Team is to respond effectively and appropriately to incidents which create a significant and higher safety risk for officers/detectives in the field and the public.

### **3. EXECUTIVE BOARD/SWAT STRUCTURE.**

The undersigned Cities hereby create an Executive Board (Board) to direct the SWAT Team. The Executive Board shall be comprised of the Police Chiefs of all participating Cities. Based upon recommendations from the SWAT Commander and or Board members, the Board reviews and approves changes and updates to the SWAT Policy and Procedures Manual (SWAT Policy) and also provides approval and gives direction on operational matters as presented and requested by the SWAT Team Commander.

Each member of the Board shall have an equal vote and voice on all Board decisions. All decisions, except those related to the SWAT Policy and Procedure manual, shall be made by a majority of voting Board members, provided a quorum of four (4) Board members are present. SWAT Policy and Procedure decisions shall require a unanimous vote from all Board members. The Board will meet at least once a quarter.

#### **3.1 SWAT Team Structure.**

3.1.1 The goal of the SWAT Team is to have a minimum of twenty-four (24) trained officers and one (1) Command Level Officer (SWAT Team Commander). Staffing shall be proportional to the size of the participating city police department's commissioned strength and the ability of that police department to staff positions.

3.1.2 When subsequent attrition occurs in the SWAT Team, such vacancies shall be filled based on a mutually agreed to and managed selection process approved by the Board.

3.1.3 The Board will determine the host police department for the SWAT Team and the selection of the SWAT Team Commander. The SWAT Team Commander will recommend appointments for the positions of Assistant SWAT Team Commander and SWAT Team Leader(s) to the Board who shall have final approval. (See attached Appendix A for an organizational chart).

3.1.4 Incident command shall be the responsibility of the police department of jurisdiction in which the incident occurs. The police department of jurisdiction may delegate incident command responsibility to the SWAT Team Commander, or an appointed designee in his absence, but will still be required to provide a liaison to the SWAT Team Commander for the duration of the event.

3.1.5 Distraction devices, gas munitions, and entrance explosives will be stored and handled per the SWAT Policy and Procedures manual and other applicable state and federal laws and regulations.

3.1.6 The general specifications of SWAT equipment/weapons will be contained within the SWAT Policy and Procedures manual.

3.1.7 SWAT policies and procedures will be standardized and agreed to by all participating Board members including any modifications or amendments thereto. Each Board member understands that SWAT, when activated in their respective jurisdictions, will act in accordance with the SWAT Policy and Procedures manual, as unanimously approved by the Board.

3.1.8 Except as provided herein, all personnel are deemed to be continuing employment for their respective employers when activated as members of the functionally consolidated SWAT Team. Each participating City shall be solely and exclusively responsible for the compensation, benefits, and training expenses for those personnel. All rights, duties, and obligations of the employer and the employee shall remain with that participating City. Each City shall be responsible for ensuring compliance with all applicable laws with regard to employees and with provisions of any applicable collective bargaining agreements and civil service rules and regulations and its disciplinary policies and procedures.

3.1.9 During field activation of the SWAT Team, an Incident Commander, SWAT Team Commander and SWAT Team Leader(s) will be designated. The duties and procedures to be utilized by the Incident Commander, SWAT Team Commander and SWAT Team Leader(s) shall be set forth in the SWAT Policy and Procedures manual approved by the Board.

### **3.2. Team Composition.**

The Board determines the SWAT Team composition and selection process.

### **3.3 Crisis Negotiating Teams.**

There will be a Crisis Negotiating Team (CNT) component. The Board will determine the composition of the Team and associated selection criteria.

### **3.4 Policy Development and Review.**

3.4.1 The Board shall determine who will coordinate development of SWAT Team policies and procedures. At a minimum, such policies and procedures shall address:

- a. Appointment to Team/Team Composition
- b. Risk Analysis Assessments
- c. Special Procedures

- d. Munitions Storage Policy/Equipment Considerations
- e. Diversionary Device Use and Deployment
- f. Firearms Qualification Standards
- g. Minimum Training Requirements/Fitness Standards
- h. Mutual Aid Responses

3.4.2 Following policy and procedure review and approval, the Board shall forward copies of the SWAT Policy and Procedures manual to the police departments of participating Cities .

#### **4. COST SHARING/BUDGET AND FINANCE.**

The Parties agree to budget and finance provisions for costs incurred by or in connection with the operations of the SWAT Team, in accordance with the following:

- 4.1. For purposes of general administration, the Board shall determine which City shall be designated as the Host police department. That police department will coordinate budgetary expenditures with all participating Cities.
- 4.2. All costs associated with the initial and continued outfitting of a SWAT Team member, including but not limited to, clothing and weapons shall be the responsibility of the employing City of any team member. This equipment shall remain the property of the purchasing City. The maintenance and replacement of individual team member's equipment shall be the responsibility of the employing City.
- 4.3. Any overtime costs associated with all deployment operations or team training of SWAT Team members shall be the responsibility of the employing City of any team member.
- 4.4. All member participating Cities understand there is need for equipment, and/or training for specialty positions within the team, that may be utilized by any qualified team member during the course of operations or training.
- 4.5. Each participating City will provide an amount of money determined by the Board and approved through the budget processes of each participating City's legislative body for necessary purchases per calendar year for approved operational expenditures. The Board shall designate one (1) participating City which will establish a single SWAT Team operational budget. Participating Cities agree to leave any money left over from that calendar year in the SWAT operational budget, which will be held in the account to supplement/augment SWAT organizational operations with the approval of the Board.
- 4.6. By May of each year, the SWAT Team Commander will submit a proposed operational budget request for approval to the Board, itemizing anticipated team/specialty

training and team equipment purchase requests for the following budget cycle. Each participating City will then submit for review and consideration the proposed operational and team/specialty training and team equipment budget via their own budget process. All team/specialty equipment purchases made during the calendar year will be documented via an inventory database spreadsheet. Training and equipment for individual team members will be the responsibility of each participating City.

4.7. During unusual occurrences emergency expenses outside the parameters of the approved SWAT Team operational budget can be approved and ratified by agreement with a quorum of the Board. These expenses will be incurred only out of operational necessity (i.e., additional overtime or supplies related to a SWAT operation).

4.8. All Parties intend that the budget and finance provision contained herein shall support the activities of SWAT Team operations and training.

## **5. LIABILITY FOR INDEMNIFICATION AND DEFENSE FROM THIRD PARTY CLAIMS.**

### **5.1 Equal Sharing of Liability.**

The Cities agree that liability for the negligent or unintentionally tortious actions of the SWAT Team or any police officer or employee working for or on behalf of the SWAT Team be shared equally on an equal shares basis between the participating Cities. It is further the agreement of the Cities that no City should be required to pay more than an equal share of the cost of payment of any judgment or settlement for a liability claim which arises out of and is proximately caused by the actions of any officer, employee or City which is acting on behalf of or in support of the SWAT Team and acting within the scope of any person's employment or duties to said SWAT Team. This risk sharing agreement shall not apply to judgments against any party or officer for punitive damages or for damages resulting from intentionally tortious actions. This general agreement on liability sharing is subject to the following terms and conditions set for the below in Sections 5.2 to 5.10.

### **5.2 Hold Harmless.**

Each City agrees to hold harmless and indemnify the other participating Cities from any loss, claim or liability arising from or out of the negligent or unintentional tortious actions or inactions of its officers and employees or each other as related to any SWAT Team activity. Such liability shall be apportioned among the Cities equally on an equal shares basis subject to any limitation set forth below.

### **5.3 Defense of Lawsuits.**

Each City shall be responsible for selecting and retaining legal counsel for itself and for any employee of said City who is named in a lawsuit alleging liability arising out of

SWAT Team operations. Each City who retains counsel for itself and/or its officers and employees shall be responsible for paying the attorney's fees incurred by that counsel. The Cities shall not share costs of defense among each other unless they specifically agree to have one attorney representing all of them in any particular legal action.

#### **5.4 Notice of Claims and Lawsuits and Settlements.**

In the event that a lawsuit is brought against a participating City, its officers and employees for actions arising out of their conduct in support of the SWAT Team operations, it shall be the duty of each said City to notify the other Cities that said claims or lawsuit has been initiated. No settlement of any such claim or lawsuit by any single City shall require equal shares contribution by any City unless it was done with the knowledge and specific consent of the other participating Cities. Any settlement made by any individual City or member which does not have the consent of the other participating Cities to this Agreement will not require any sharing of payment of said settlement on behalf of the non-consenting Cities.

##### **5.4.1 Settlement Procedure.**

5.4.1(1) Any City who believes that it would be liable for a settlement or judgment which should be equally shared by the other participating Cities to this Agreement shall have the burden of notifying each other participating City of all settlement demands made to that City and any claims and/or lawsuits naming that city and/or its officers and employees for what may be a joint liability. Furthermore, if the other participating Cities are not named as parties to the actions, it shall be the burden of the City named in the lawsuit to keep the other participating Cities fully apprised of all developments in the case and all settlements demands, mediations or any other efforts made towards settlement. Settlements require the specific consent of all participating Cities to this Agreement before any equal share obligations for payment by all participating Cities becomes effective.

5.4.1(2) No City shall enter into a settlement with a claimant or plaintiff unless said settlement ends the liability of all participants to this Agreement and on behalf of their respective employees and officers. It is the intent of this Agreement that the Cities act in good faith on behalf of each other in conducting settlement negotiations on liability claims or lawsuits so that, whenever possible, all Parties to this Agreement agree with the settlement costs or, in the alternative, that all Parties to this Agreement reject settlement demands and agree to go to trial and share equally in any judgment incurred as a result of the decision to go to trial. However, in the event that a settlement demand is presented to all the participating Cities to this Agreement and there is not unanimous consent to pay the settlement, then and only then the following results shall occur:

5.4.1(2)(1) The Cities shall be free to seek a separate settlement with the claimant and/or plaintiff which would eliminate the liability of that City and/or its officers and employees and, if such separate settlement is reached, that City would have no responsibility to pay any proportionate amount of any judgment rendered against the Cities and/or their officers and employees that did not settle. A City making a separate settlement would not have to pay any proportional amount of any subsequent settlement that others might reach. Any City making a separate settlement would have no right to seek any reimbursement or contribution for any portion of a settlement which said City had reached separately with the claimant and/or plaintiff.

**5.5 Cooperation in Defense of Lawsuits.**

The Cities and their respective defense counsel shall, to the extent reasonably legally possible and consistent with the best interests of their respective clients, cooperate in the defense of any lawsuit arising out of the operations of the SWAT Team and shall agree, wherever possible, to share non-attorney fee-related costs such as records gathering, preparation of trial exhibits, and the retention and payment of expert witnesses.

**5.6 Payment of Judgments.**

Unless there is an exception as provided in paragraphs 5.4.1(2) and 5.4.1(2)(1), it is the intention of the participating Cities under this Agreement to jointly pay any judgment on an equal share basis for any judgment against any officer and/or employee and/or City for negligence or unintentional tortious action arising out of their conduct in the course of their employment or duties as SWAT Team members or in support of such SWAT Team operations; regardless of what percentage of liability may be attributed to that participating City or its officers and employees by way of verdict or judgment, including the costs of any awarded plaintiff's attorney's fees and costs. It is the intent of the Parties to add up the total combined judgment against any participating City and/or officer and/or employee for compensatory damages and/or plaintiff's attorney's fees and costs and to divide said total combined judgment into equal shares and each City would then pay its equal share of the total combined judgment to satisfy the judgment. Any City which refused to pay its equal share would then be liable to the Cities who paid that City's share in order to satisfy a judgment plus any attorney's fees incurred in the collection of said monies from the non-paying City.

**5.7 Nothing Herein Shall Require Or Be Interpreted To:**

5.7.1 Waive any defense arising out of RCW Title 51.

5.7.2 Limit or restrict the ability of any City, officer or employee to exercise any right, defense or remedy which a party to a lawsuit may have with respect to claims of third parties, including, but not limited to, any good faith attempts to

seek dismissal of legal claims against a party by any proper means allowed under the civil rules in either state or federal court.

5.7.3 Cover or apportion or require proportionate payment of any judgment against any individual or City for intentionally wrongful conduct outside the scope of employment of any individual or for any judgment for punitive damages, fines or sanctions against any individual or City. Payment of punitive damage awards shall be the sole responsibility of the individual against whom said judgment is rendered and/or his or her municipal employer, should that employer elect to make said payment voluntarily. This Agreement does not require equal sharing of any punitive damage awards, fines or sanctions.

**5.8 Insurance Coverage.**

The Cities shall, to the best of their ability, coordinate their liability insurance coverages and/or self-insured coverages to the extent possible to fully implement and follow the Agreement set forth herein. However, the consent of any liability insurance carrier or self-insured pool or organization is not required to make this Agreement effective as between the member Cities signing this Agreement and the failure of any insurance carrier or self insured pooling organization to agree or follow the terms of this provision on liability shall not relieve any individual City from its obligation under this Agreement.

**6. NON-WAIVER.**

A waiver by any City hereto of a breach of any other City hereto of any covenant or condition of this Agreement shall not impair the right of the City not in default to avail itself of any subsequent breach thereof. Leniency, delay or failure of any City to insist upon strict performance of any agreement, covenant or condition of this Agreement, or to exercise any right herein given in any one or more instances, shall not be construed as a waiver or relinquishment of any such agreement, covenant, condition or right.

**7. AMENDMENTS.**

This Agreement may only be amended by written agreement of all the undersigned Cities that have not terminated their respective participation under this Agreement.

**8. SEVERABILITY.**

Should any clause, phrase, sentence or paragraph of the Agreement or its application to any party or circumstance be declared invalid or void by a court of competent jurisdiction, the remaining provisions of this Agreement and/or their application to other parties and circumstances, not declared invalid or void, shall remain in full force and effect.

**9. TERM AND TERMINATION.**

9.1 The minimum term of this Agreement shall be one (1) year, effective upon its adoption. This Agreement shall automatically extend for consecutive one (1) year terms without action of the legislative bodies of the participating jurisdictions, unless and until terminated pursuant to the terms of this Agreement.

9.2 Any Party may withdraw from and terminate participation under this Agreement upon the giving of thirty (30) calendar days advance written notice of intent to withdraw/terminate to the other Parties herein. Withdrawal during any calendar year shall not entitle the withdrawing Party to a reduction or refund with respect to funds budgeted for or otherwise committed with respect to the withdrawing Party for any calendar year. Termination of this Agreement and/or withdrawal of a Party shall not terminate Section 5 hereof with respect to the withdrawing Party as to any incident arising prior to the withdrawal of the Party and Section 5 shall survive the termination of this Agreement with respect to any cause of action, claim or liability arising on or prior to the date of termination.

9.3 A majority of the participating Cities may terminate this Agreement at any time. Such termination shall be set forth in a document signed by the authorized Chief Executive Officer or designee of a majority of the participating Cities.

9.4 Upon termination of this Agreement by the participating Cities, property used and/or in the possession of the SWAT Team pursuant to the terms and conditions of this Agreement, including but not limited to vehicles, equipment, firearms, ammunition and Class C low explosives, shall belong to and shall be returned to the City that provided or paid for such items. Items that were jointly purchased by the Cities will be distributed between the police departments on a basis agreed to in writing by the respective police chiefs.

9.5 In the event that a City withdraws from and terminates participation under this Agreement in accordance with Section 9.2, property that was paid for and/or provided by that City and was used and/or in the possession of the SWAT Team pursuant to the terms and conditions of this Agreement, including but not limited to vehicles, equipment, firearms, ammunition and Class C low explosives, shall belong to and shall be returned to the withdrawing/terminating City. Items that were jointly purchased by the Cities will continue to remain with and be available for use by the SWAT Team until such time that this Agreement is terminated in its entirety.
