MEMORANDUM

To: Kurt Triplett, City Manager
From: Amy Bolen, Executive Assistant
Date: April 21, 2016
Subject: HONORING OUTGOING BOARD & COMMISSION MEMBERS

RECOMMENDATION:

It is recommended that the City Council recognizes outgoing Board and Commission members for their years of service.

BACKGROUND DISCUSSION:

Following the All City Dinner in September 2015, the Mayor and Deputy Mayor discussed changing the format of the All City Dinner. Rather than recognizing outgoing board and commission members once per year at the All City Dinner, the City Council would recognize outgoing Board and Commission members as they completed their term or resigned. In the future, the All City Dinner would highlight current board and commission members and accomplishments of the previous year.

In March 2016, several members completed their terms. Mayor Walen and Deputy Mayor Arnold asked that they be invited to an upcoming Council meeting where they would be recognized publicly and presented with an award as a token of the City's appreciation.

The following members have either resigned or completed their term since the 2015 All City Dinner and have been invited to attend the May 3 meeting.
