## **MEMORANDUM**

**To:** Kurt Triplett, City Manager

**From:** Lorrie McKay, Intergovernmental Relations Manager

**Date:** June 8, 2015

**Subject:** 2015 LEGISLATIVE UPDATE #10 AND COUNCIL APPOINTED VOTING DELEGATES TO THE AWC'S 2015 ANNUAL BUSINESS MEETING

### **RECOMMENDATION:**

Council should receive its tenth update on the 2015 legislative session. Also, Council should by motion appoint the Mayor, Deputy Mayor and the Intergovernmental Relations Manager as its voting delegates to the AWC's 2015 Annual Business meeting.

### **BACKGROUND DISCUSSION:**

At the writing of this memo, the legislature was one and a half weeks into its second special session, which was convened by the Governor on May 29. Lawmakers remain in session in order to complete their work on the biennial budgets and related matters (operating, capital and new-law transportation package). The revenue forecast released on May 18<sup>th</sup> suggested to lawmakers that they have a little more money to work with during their extended budget negotiations. The forecast found that the state's revenue collections through the middle of 2017 are expected to increase by more than \$400 million, with nearly \$327 million for the upcoming 2015-2017 budget and \$79 million for the current two-year budget through the end of June.

By law, special sessions can only run for 30 consecutive days. This special session will officially conclude by June 27. State budgets are due on June 30. The projected overall state budget for 2015-17 is expected to be somewhere between \$38 and \$39 billion (Attachment A). After that point, their options without a budget are very limited, including government shut down.

### **Council's Legislative Committee**

The Council's Legislative Committee (Mayor Walen, Councilmember Asher and Councilmember Marchione) meets on Friday afternoons during the regular session. The committee met on Friday, June 5. There has been no changes to the status of Kirkland's five legislative priorities that remain in play during this special session (Attachment B).

### **Status Summary of Five of the City's Seven 2015 Legislative Priorities as of June 8**

1. State and local transportation revenue - ESSB 5987 is parked in Senate Rules  
The Senate passed a revenue package (5987) and a project list (5988). The House passed strikers of these bills out of committee. Among other things, both proposals include annual direct distributions to cities for 16 years, vehicle license fee proposals, funding for SR 520 corridor as well as Renton to Lynnwood I-405 corridor widening.

2. \$75M for the I-405 / NE 132nd Interchange ramp - ESSB 5988 is parked in Senate Rules  
While the project and its funding was not included in the Senate transportation proposal, the project and \$75 million in funding was included in the House proposed project list.
3. Capital budget funding of \$1,068,600 at NE 52nd Street - EHB 1115 in House Rules  
The House passed a capital budget, but did not include any of Kirkland's capital budget requests. However, the Senate passed capital budget did include \$1,069,000 for the NE 52nd St. project. Each chamber is negotiating from these positions.  
  
\*NOTE\* The House version of the transportation budget project list (ESSB 5988) also includes \$1,086,000 for the same NE 52nd St.
4. Siting flexibility for marijuana retail & revenue share with cities - E2SHB 2136 is in House Rules  
The House and Senate are negotiating 2136, the revenue sharing bill, which includes Kirkland's siting flexibility language.
5. Additional Sound Transit revenue authority, which may also be used to fund trail development and alternative transportation along the Eastside Rail Corridor - ESSB 5987 is parked in Senate Rules  
The Senate and House are negotiating as part of transportation revenue bill. The House proposal includes language allowing Sound Transit to use new funding on regional trails that directly connect to its system.

#### **2015 Session bills and a new bill, HB 2263**

The City took positions on a number of bills during the regular 2015 session. While many bills are considered dead since April 29, several remain alive and are being monitored (Attachment C). During the week of June 1, a new bill (HB 2263) was introduced which gives local options for cultural access programs and services and facilities for people with mental illness, developmental disabilities and other vulnerable populations. The bill is sponsored by Representative Springer and is scheduled for public hearing on Monday, June 8. Councilmember Asher is scheduled to testify in support of this bill, as the City has expressed support of all components of the bill throughout the session.

#### **AWC's ANNUAL BUSINESS MEETING – CITY OF KIRKLAND 2015 VOTING DELEGATES:**

The annual Business Meeting of the AWC will be held on Thursday, June 25 at the Wenatchee Convention Center. Mayor Walen, Deputy Mayor Sweet and Lorrie McKay are scheduled to attend. The AWC Board of Directors encourages cities to participate in the meeting by appointing voting delegates. AWC bylaws allow each city to appoint up to three voting delegates. The bylaws do not specify the method or form cities must use to appoint delegates. Voting delegates may be selected from the city's elected councilmembers or city staff. The names and titles of the appointed members must be submitted to Michelle Catlin, AWC Executive Assistant, no later than Wednesday, June 17, 2015.

Each voting delegate will have one vote. Voting delegates have the opportunity to influence the operations of the AWC by:

- Electing the members of the AWC Board of Directors;
- Voting on potential amendments to the AWC bylaws; and
- Approving the Statement of Policy, which provides the basis for policy recommendations by AWC's Legislative Priorities Committee, the Board and staff

It is recommended that Council approve a motion appointing Mayor Amy Walen, Deputy Mayor Penny Sweet, and Intergovernmental Relations Manager Lorrie McKay as its voting delegates.
