Regula Schubiger, Youth Services Coordinator

Date: October 9, 2012

Subject: FOOD DRIVE RESULTS

RECOMMENDATION:

City Council receives a report on the results of the recent food drive.

BACKGROUND DISCUSSION:

The Kirkland Alliance of Neighborhoods (KAN) and City staff held the fifth annual community food drive on September 15th and 29th. The proceeds from the food drive go to Hopelink. KAN Chair Norm Storme will present the results of the food drive to the City Council at the October 16 Council Meeting. The food drive was very successful this year, largely due to the efforts of Mr. Storme.
