## MEMORANDUM

**To:** David Ramsay, City Manager

**From:** Daryl Grigsby, Public Works Director  
Ray Steiger, P.E., Capital Projects Manager

**Date:** September 3, 2009

**Subject:** 2010 to 2015 TRANSPORTATION IMPROVEMENT PROGRAM (TIP) – HEARING & ADOPTION

### RECOMMENDATION:

It is recommended that City Council conduct a public hearing on the 2010 to 2015 TIP; based on the results of the hearing it is recommended that Council adopt the attached resolution.

### BACKGROUND DISCUSSION:

At their regular meeting of September 1<sup>st</sup>, Council set September 15, 2009 as the date to conduct a public hearing on the 2010 to 2015 TIP. The purpose of the hearing is to provide an opportunity for the public to comment and provide input on transportation projects that are planned for the City. Changes introduced at the public hearing will be incorporated into the City's TIP prior to submitting it to the Puget Sound Regional Council, Washington State DOT, and our adjacent agencies. Annual adoption of a six-year TIP is in accordance with RCW 35.77.010 and 47.26.210 and is used to designate transportation projects which are eligible for federal, state and/or local funding.

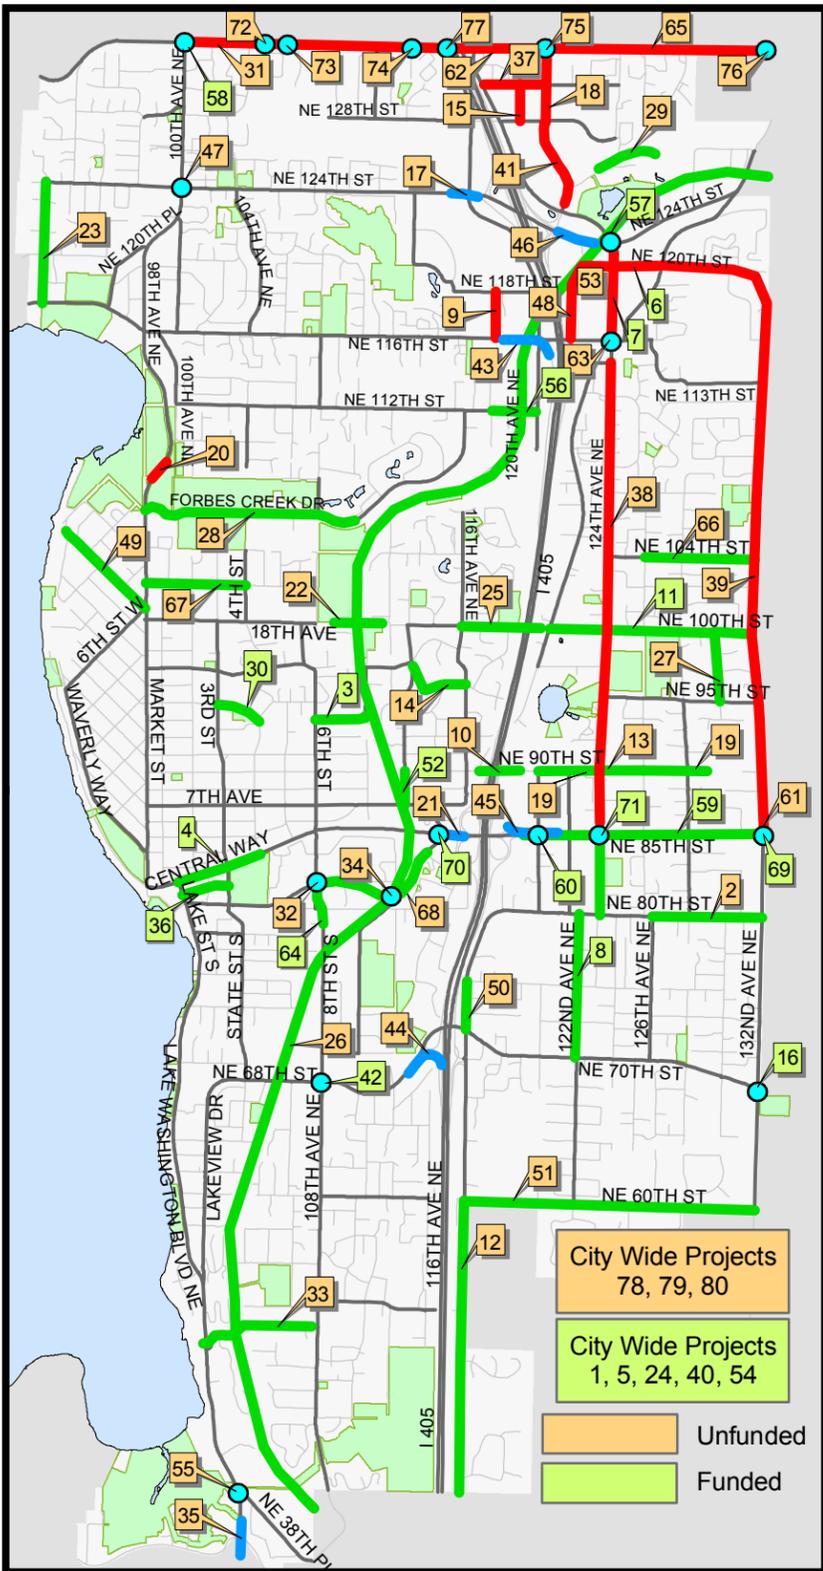

For the most part, the projects that are identified in the 2010 to 2015 TIP mirror the transportation element of the Amended 2009 to 2014 CIP, as reviewed by Council at their September 1, 2009 meeting. Exceptions to this are that the TIP also includes projects that are identified in the Street Operating Fund, such as loop detector replacement and sidewalk repair, etc. In addition, the 2010 to 2015 TIP contains two new Intelligent Transportation System (ITS) projects that are being proposed by our Traffic Engineering Department and will appear in the 2011 – 2016 CIP. As with all transportation projects, these ITS projects must appear in the approved TIP in order to be eligible for federal grant opportunities.

The proposed 2010–2015 TIP will be presented to the Kirkland Transportation Commission at their meeting of September 23, 2009.
