

**RFQ for Sidewalk Art  
Job Number 32-16-PW  
July 25, 2016**

**Questions and Answers**

Below are the questions received for this project and the answers to the questions provided by City staff:

- *Is this proposal request intended for concept, design, fabrication, and construction?*
  - This proposal/submittal should be for design only and the basis for selection will be for design only. Depending on the art chosen (embossed, stamped, embedded), there may be further scoping for applicable elements through implementation.
  
- *Is there a typical size or physical limitation for art work?*
  - The intention is that the selected art design will fit within a typical 52-inch x 52-inch square centered within a 5-foot x 5-foot square sidewalk panel.
  
- *Is the designer responsible for meeting ADA compliance?*
  - The selected art design should not impact any ADA compliance requirement for sidewalk construction. The contractor would be responsible for the construction of a compliant design.
