

KIRKLAND FINN HILL FIRE STATION SITING

Questionnaire Response Overview

	DennyFest 09-03-13	FHNA 10-07-13	11-6-13
Questionnaires Returned	17	9	
1. Did you attend the Finn Hill Station Siting Open House February 8, 2012?	YES 4 NO 13	YES 6 NO 3	
2. Do you understand why we are doing a Finn Hill Fire Station Siting?	YES 17 NO 0	YES 7 NO 1	
3. What information can we provide you about the siting process?	<ul style="list-style-type: none"> • Kevin, Fire Chief, gave me excellent information • Impact on Traffic • Keep us informed about meetings • Status, issues preventing forward progress • A list of sites, potentially coupled with a response radius and cost for each • Response time maps • Reason for finalist sites • Continued updates via web would be great • How large is the potential footprint of a new station • I'd like to know more about how closing two stations (24 & 25) will increase response time if we just then build one station 	<ul style="list-style-type: none"> • When will you make a final decision? • Best Location • The Progress • Why do we need it? 	

KIRKLAND FINN HILL FIRE STATION SITING

Questionnaire Response Overview

<p>4. Is siting a new fire station an important topic for you?</p>	<p>VERY 9 SOMEWHAT 8 NOT AT ALL 0 NOT ENOUGH INFO 0</p>	<p>VERY 5 SOMEWHAT 3 NOT AT ALL 0 NOT ENOUGH INFO 1</p>	
<p>5. What concerns do you have?</p>	<ul style="list-style-type: none"> • Own home near Station 24 has a potentially larger response time • Location • Response time - siting • Maintain quick response time • Response time - siting • Mostly that it happen sooner than later! • That it is not put in a dangerous part at Juanita Drive • Response times, cost, effectiveness • Noise, response times, sensible budget • Shorter response times • Coverage • I'd like to know more about how closing two stations (24 & 25) will increase response time if we just then build one station • My husband is a congenital heart patient and we live in the non-covered area. Current response time would be too late 	<ul style="list-style-type: none"> • Equal response time for all citizens • Costs & response times (fire & EMS) • Keeping costs capital & best value • I do not want to see it place @138th • Best accessibility to services for greatest number of residents • Why 	

KIRKLAND FINN HILL FIRE STATION SITING

Questionnaire Response Overview

<p>6. Do you have a preference about where the new fire station will be located? Are there any locations you would suggest?</p>	<ul style="list-style-type: none">• Station 24• Keep old fire station to serve south, new fire station to serve north, centralize a station or community center as community emergency shelter for eastside• North end of District• Since part of Kenmore is being covered, partnering with Kenmore and co-locating a fire station might be a viable alternative• We do not want a station at the corner of Juanita Drive and 138th Place• Not particularly, but something close to the Station on 84th• Between Mormon Church and Finn Hill School• You already have most of them. Others would be near QFC or Bastyr 1st Ed.• Next to Finn Hill Middle School• Not Really• In an area that provides strong and uniform coverage• Big Finn Hill? the site that improves response times the best. How about keeping #25 open adding an additional station?	<ul style="list-style-type: none">• Building of emergency access road to minimize costs• I like the idea of keeping stations open and having a joint Kirkland/Kenmore Station• Best accessibility to service for greatest number of residents- no physical site preference
