

Stream Care for People & Wildlife

A Workshop for Juanita Creek Landowners

Join your neighbors to share ideas and discuss...

- Working with the creek instead of against it
- Improving wildlife habitat in and near the creek
- Selecting the right native plants for your yard
- Understanding permits – what, why and how
- Knowing when to call a professional and how to get help
- Leaving a healthy creek and clean water for your children and grandchildren

Tuesday, May 25

6:30 to 8:30 pm

**Juanita Elementary School
9635 NE 132nd Street**

Kids' activity table
provided!

Great door prizes!

Win a nursery gift certificate, native plants & more!

Sign up for a FREE assessment from
an Adopt-A-Stream professional!

See how Juanita Elementary
students are working to protect
the creek!
