Proposed Land Use Changes, Citizen Amendment Requests, Development Standards

The City of Kirkland is in the process of updating the Comprehensive Plan, a long-range plan for growth and development. As part of that update, the City accepted Citizen Amendment Requests (CAR) that propose changes to the land use or development standards for properties in Kirkland. The scope of the study areas for most of the requests was expanded to include some of the surrounding properties. The request for this area is described below along with the contact information for the City Planner who is working on the request. Revisions to Neighborhood Plan are also proposed.

Proposed Land Use Changes

Morris request: 132xx NE 126th Place (vacant) and study area, *Totem Lake Neighborhood*, change zoning from industrial TL 7 zone to multifamily RMA 3.6 and allow an increase in building height to 40 feet. Contact: Dorian Collins, dcollins@Kirklandwa.gov

The **review process** will involve public open houses and public hearing before the Kirkland Planning Commission in summer 2015. Following the hearing, the Planning Commission will make a recommendation to the City Council which will make a decision on the requests.
