Language

POLLY-GLOT TOTS

Ages 1 to 5 years with parent

Polly-Glot Tots was founded in 2007 by a mom with a dream of bringing the wonder of her multi-lingual upbringing to other children. Their mission is to offer engaging and affordable language immersion classes for children and to foster a community of families interested in bringing foreign language and culture into their homes.

Spanish for Preschoolers

Ages 1 to 5 years with parent

Polly-Glot's lively Spanish immersion class integrates play, music, movement, and art to engage children and connect the foreign sounds and words to everyday items and activities. Quarterly themes are brought to life through music, stories, and games that are often familiar to parents and easy to repeat in the home. Vocabulary is provided so parents can reinforce the language outside of class, whether or not the parent has previous language experience or fluency.

THE PURPLE SCHOOL

The Purple School specializes in fun, interactive foreign language instruction to kids—from baby/toddlers through elementary school ages. We use an immersion/semi-immersion approach to help kids learn naturally. That means we act out the word “run” and simultaneously say the word in the target language. We have refined our curriculum through almost a decade of experience teaching young children. Our classes are a fast-paced combination of games, movement and music.
