## Quick Facts about the Pee Wee Soccer League (PWS)

### I've signed up for PWS... what do I do now?

You will be contacted by a coach approximately one week prior to the first day, Sept. 10. The coach will provide you with information about the game schedule, etc.

### I'd like to be a coach, what do I do? And, what if my team has no coach?

If you'd like to apply to be a volunteer coach, please contact 425.587.3331. We are always looking for good volunteers. Prior soccer experience is not necessary. We handle applications on a first-come, first-serve basis; therefore, getting your volunteer packet turned in ASAP is crucial. All coaches must pass a background check. If no one volunteers to coach your team then KPCS staff will contact individual parents from your team roster to coach.

### How are teams formed?

Registration is taken on a first come, first serve basis. Siblings will be placed on the same team. Teams are formed randomly, but we take into consideration gender ratios and ages of the participants.

### What is the format of the league?

The program meets on Saturday mornings only. Games are one hour in duration with the first 20 minutes of the hour devoted to practice. The last 40 minutes are reserved for a friendly, recreational-style soccer game. Game start times will range from 8am to 12pm on the hour. For example, week one your game might be at 9am but week two your game might be at 10am.

### Does KPCS take requests?

Requests for team pairings are taken but are NOT guaranteed. Your child must be registered before you may make a request. If you sign up for the league, it is the parent's responsibility to arrange for travel, supervision, etc. regardless of who is on your child's team or if a request can or cannot be accommodated.

### What is included with the registration fee?

Each child will receive a t-shirt to wear during the season and a participant medal at the end of the season. Shin guards are not provided, but are required.
