1           WHEREAS, Initiative 502 approved by Washington voters in

3 production, processing, and retail sale of recreational marijuana; and  
4

5           WHEREAS, the Washington State Liquor Control Board has

7 processors, and retailers and has accepted applications, and is currently  
8 issuing licenses for these marijuana businesses; and  
9

10           WHEREAS, the State Liquor Control Board has determined that  
11 two state licenses for the retail sale of recreational marijuana may be  
12 issued for the City of Kirkland, but there is not a limit on the number of  
13 production and processing licenses that could be issued within the City;  
14 and  
15

16           WHEREAS, on January 16, 2014, the Washington State Attorney

18 prevent local governments from regulating or banning marijuana  
19 businesses; and  
20

21           WHEREAS, in 2014 the City Council passed a series of ordinances  
22 which adopted interim zoning regulations regarding the retail sale of  
23 recreational marijuana and odor control for marijuana processing and  
24 production facilities; and  
25

26           WHEREAS, the City Council directed City staff to draft permanent  
27 regulations to govern state-licensed retail, processing and production  
28 facilities and refer to the Kirkland Planning Commission for review,  
29 public hearing and recommendation for inclusion in the Kirkland Zoning  
30 Code; and  
31

32           WHEREAS, on December 8, 2014, draft development regulations  
33 were forwarded to the Washington State Department of Commerce as  
34 required by RCW 36.70A.106(1); and

35 WHEREAS, as required by the State Environmental Policy Act  
 36 (SEPA), a SEPA addendum issued by the responsible official and dated  
 37 December 26, 2014, has accompanied the legislative proposal and  
 38 recommendation through the entire consideration process; and  
 39

40 WHEREAS, on January 22, 2015, following notice as required by  
 41 RCW 35A.63.070, the Kirkland Planning Commission held a public  
 42 hearing on the amendment proposals and considered the comments  
 43 received at the hearing; and  
 44

45 WHEREAS, on February 23, 2015, the Houghton Community  
 46 Council held a public hearing on the amendment proposals and  
 47 considered the comments received at the hearing; and  
 48

49 WHEREAS, the City Council has received the recommendation of  
 50 approval from both the Planning Commission and Houghton Community  
 51 Council; and  
 52

53 WHEREAS, the City Council believes that health, safety, and  
 54 welfare of the community is best served by establishing permanent  
 55 regulations related to state-licensed marijuana facilities.
