CITY OF KIRKLAND NOTICE OF HEARING

REQUEST: Proposed Zoning Code amendments establishing regulations pertaining to the retail sale, production and processing of marijuana and products containing marijuana. The regulations would codify existing interim regulations adopted by the City Council. Retail sale of marijuana and marijuana products would be allowed in 1) zones already allowing the retail sale of products, except for the MSC 1 and MSC 2 zones; 2) the TL 7 and TL 9A zones; and 3) the LIT zone if at least 50% of the boundaries of the zone adjoin commercial zones. Sale of marijuana and marijuana products would be prohibited on properties adjoining a designated school walk route. Marijuana production and processing would be allowed in zones where general production and processing uses are allowed subject to a requirement to prevent odors.

The proposal affects property city-wide.
