Procedures to Appeal SEPA: You may contact Christian Geitz at (425) 587-3246 to ask about the procedures for SEPA appeals):

1. A written appeal must be filed with the Environmental Coordinator by **5:00 PM on March 3, 2016** at the above address.
2. The appeal must contain a brief and concise statement of the matter being appealed, the specific components or aspects that are being appealed, the appellant's basic rationale or contentions on appeal, and a statement demonstrating standing to appeal. The following have standing to appeal: a) the applicant; b) any agency with jurisdiction; c) any individual or other entity who is specifically and directly affected by the proposed action. The appeal may also contain whatever supplemental information the appellant wishes to include.
3. Pay the fee to file an appeal. See the [Planning & Building Department Land Use Fee Schedule](#). This project requires a public hearing by the Hearing Examiner. Many issues are most appropriately considered during the hearing process rather than through the SEPA process. However some issues, such as traffic, are usually considered only through SEPA and may only be contested or appealed by filing an appeal of the DNS. **There may be no other opportunity to appeal these issues.** Call Christian Geitz at 425.587.3246 if you have questions about what issues are addressed in this DNS.
