CITY OF KIRKLAND CORRECTED NOTICE OF DECISION

Date corrected notice sent:
January 22, 2015

Permit application: Avalon West [SUB14-01033](#)
Location: [Vacant Lot](#) located west of 10633 128th Ave NE
Applicant: Merit Homes
Project description: Subdivide one vacant parcel in to two single family lots
Decisions Included: Short Plat (Process I)
Project Planner: Susan Lauinger
Department Decision: **Approval with Conditions**

NOTE: The notice of decision sent on January 15th, 2015 contains directional errors pertaining to the east and west short plats. Pursuant to Kirkland Zoning Code section 145.45.6, this notice corrects those errors but does not change the conditions of approval, decision date, or appeal deadline.

Since review of this proposed subdivision is occurring simultaneously with the Avalon East short plat located immediately to the east, there is an opportunity to coordinate the access to the two developments. Specifically, there is no apparent reason why the two developments could not easily share the same access driveway/access easement. This would have the benefit of reducing the extent of roadway pavement and the attendant vegetation removal. The driveway/easement on the Avalon West site is the logical location to serve both developments.

Therefore, prior to recoding this short plat, the applicant shall revise the short plat to include in the recording the necessary easement to accommodate the Avalon East access.

Eric Shields, Director
Department of Planning and Community Development
