

# NE 85th STREET CORRIDOR IMPROVEMENTS PROJECT

Project Update  
February 2013

## Construction Update: Sidewalks on 124th Avenue NE

There will be restricted access to 124th Avenue NE between NE 85th Street and NE 80th Street the last week of February. See details below.

Construction is entering it's final stages on the NE 124th Ave Sidewalk Project. The Project is constructing curb, gutter and sidewalk with a planter strip along both sides of 124th Ave NE between NE 80th and 90th Streets (where no sidewalk exists). The new concrete sidewalk is 5 feet wide and is separated from the edge of the travel lane by a planter strip in most places. As part of this work, 124th Avenue NE is being rebuilt with a new pavement surface between NE 85th Street and NE 80th Street. The street will also be resurfaced just north of NE 85th Street.

**Construction is scheduled to continue through February 2013.** Many factors, including weather, can impact this schedule. Work hours are scheduled between 7:00 am and 6:00 pm.

### 124th Avenue NE (NE 85th to NE 80th Streets) Local Access Only:

- **Monday, February 25 through Friday, March 1, there will be 24 hour restricted access** (local access only) to 124th Avenue NE between NE 85th Street and NE 80th Street for building and resurfacing the road.
- **There may be inconveniences** associated with driving through the work zone for local residents and businesses; traffic control and flagging operations will be in effect. The project inspector will be on site to help coordinate access and answer any questions.
- **Emergency vehicle access** will be maintained throughout the construction process. The contractor is required to backfill and/or cover their work at the end of each day so there will be no open trenches left over night.
- **Parking:** "No-Parking" signs will be posted 24 hours in advance of all parking restrictions. **The City will tow vehicles left on the street after the 24 hour notice period.** Please do not leave vehicles parked on the street.
- **Driveway access:** In some locations, it may be necessary to limit driveway access for 3 days while fresh concrete is allowed to cure. If your driveway is affected, you will be specifically notified prior to work being performed.
- **Garbage and mail services:** The contractor will provide access for garbage pick up and mail delivery services.

*Thank you for your cooperation as the NE 85th Street Corridor Improvements continue.*

**Please provide us with your feedback, [www.kirklandwa.gov](http://www.kirklandwa.gov) and search CIP feedback.**

## Stay Informed

**Access up to date information:** Go to [www.kirklandwa.gov/85thStreet](http://www.kirklandwa.gov/85thStreet).

**Call the construction hotline:** (425) 587-3838.

**Sign up for email updates:** Go to [www.kirklandwa.gov/85thStreet](http://www.kirklandwa.gov/85thStreet) and click on this symbol.

**Alternative Formats:** Persons with disabilities may request materials in alternative formats. Persons with hearing impairments may access the Washington State Telecommunications Relay Service at 711.

**Title VI:** It is the City of Kirkland's policy to ensure full compliance with Title VI of the Civil Rights Act of 1964 by prohibiting discrimination against any person on the basis of race, color, national origin or sex in the provision of benefits and services resulting from programs and activities. Any person who believes his/her Title VI protection has been violated, may file a complaint with the City of Kirkland. For questions regarding Kirkland's Title VI Program, or to file a complaint with the City of Kirkland contract below.
