

You are helping us create a safer, more accessible corridor!

The City of Kirkland is designing solutions to the challenges you experience on the 100th Avenue Northeast corridor between Northeast 132nd and Northeast 145th streets.

The City is excited to work with you and the community to improve this corridor. Your suggestions and input are essential throughout the design process! The first step will be to hear from you about your:

1. Concerns regarding the existing corridor
2. Vision and ideas for the future corridor
