# PROJECT UPDATE

CARING FOR YOUR INFRASTRUCTURE TO KEEP KIRKLAND HEALTHY, SAFE AND VIBRANT

## Sidewalk, new traffic signals coming to 6th Street South

Projects improve transit, walking and driving options along corridor

**WHAT:** Kirkland is working with funding from SRM Development and the Transportation Improvement Board to build a sidewalk along Sixth Street's west-side from Kirkland Avenue to Google's campus, as well as two traffic signals along Sixth Street—one at Sixth Street's intersection with Ninth Avenue South, the other at its intersection with Kirkland Way. The intersection improvements will add left turn-lanes to both intersections and rebuild the Kirkland Way intersection with concrete pavement.

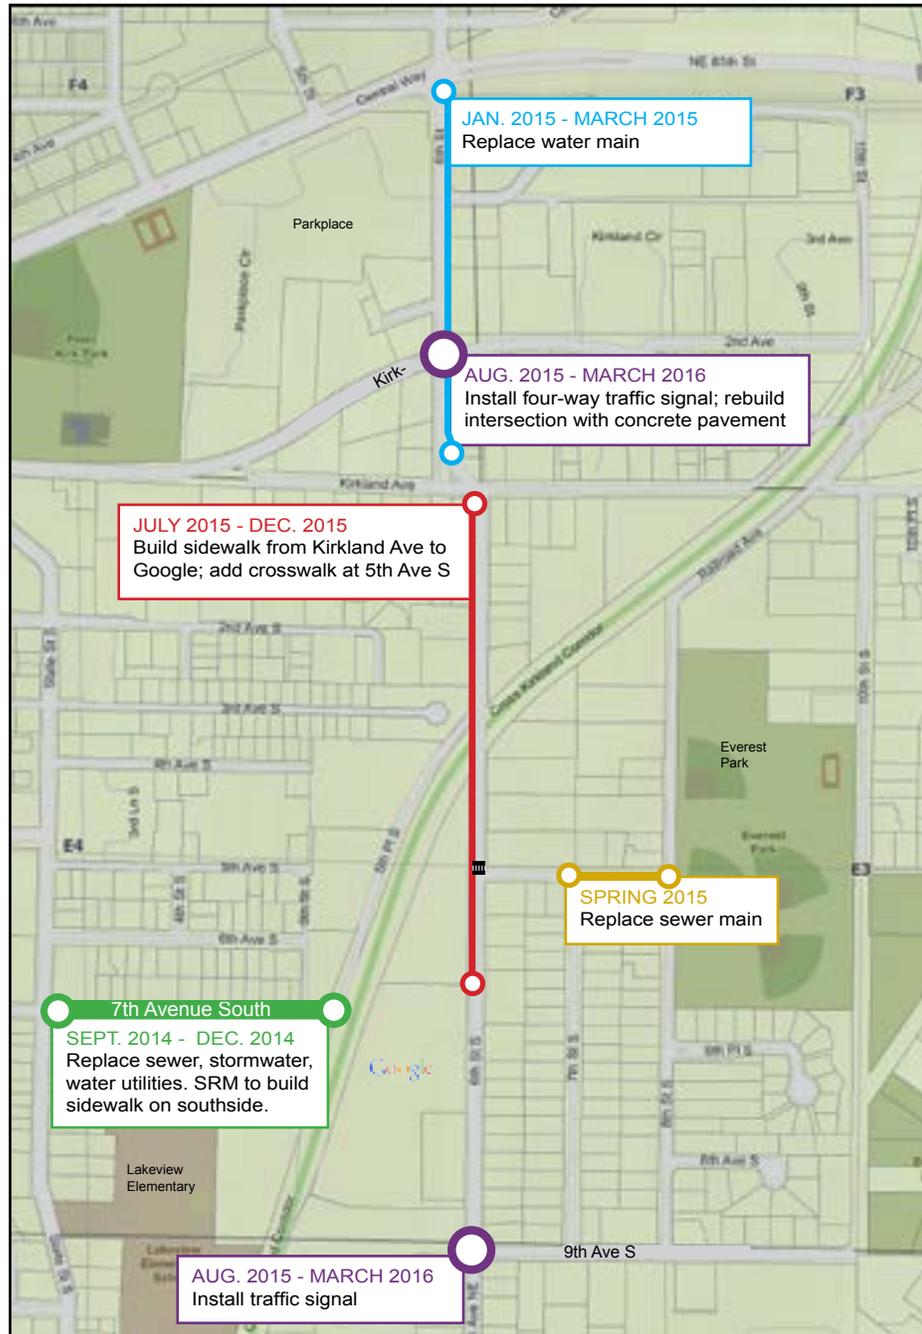

**WHEN:** July to March 2016, conditions permitting.

**WHAT TO EXPECT:** Traffic control will be in effect. Short delays are possible during construction.

- Kirkland requires the contractor to cover trenches and any unfinished work at the end of each day.
- Access is maintained for mail delivery, garbage pick-up and emergency vehicles.
