make me a picture of Kirkland

We asked Ben Franklin Elementary Kindergarteners to create a picture of their city. This is what they made ...

ABDULLAH:
"I was walking and then there was a trap that came at me. And then it turned the whole sun into fire."

"This is me and I'm picking flowers in New York City. No, I mean Kirkland,- downtown Kirkland."
—CAROLINE

"This is where we went to the city. I played hide and seek. I was hiding behind the building when the rain came. But the sun made some warm stuff. So we stayed warm. I didn't know how to make a rainbow so I just put red dots over us."
—ARI

"My dad is taking a short cut. But he is going to the wrong short cut. We couldn't find the boats. So we went to the park."
—OLIVER

ASHKON:
"That's a bug and the guy was riding on the bug. That's a tiger. The guy was walking on the tiger. That was a rocket. The guy was walking on the rocket. And that's the sky."

SAKTHI:
"I and my mom and brother went to the beach. I was surfing. My mom and dad are eating at a picnic at Kirkland beach."

"This is my mommy. I'm on the slide going 'ahhhh!' It's a big slide."
—LAVINIA

"It's me and my dad and this is Luke. And I'm going to Kirkland. I made a sign. It says Kirkland. But I forget where it is."
—LOGAN

"I drawed my dad. That's me and that's my sister.
And that's my dog barking. But she died."
—PAUL

"This is my brother and this is rain and this is lava and this is me and this is the building and this is grass and this is the sky."
—KRESH

"That's me and my little sister, Adina. We are playing in the sunshine in our backyard."
—ANESTON

"It's my mom and dad's work. Their work is called Tableau Software. I think it has a connector to connect both parts of the building."
—EMMETT

"We went to the library and that's a in this picture. You can eat ice cream while you're reading a book."
—EMMA

"I have eight people in my family. This is my dad and this is my mom. This is my sister Ana. This is my sister Bridgette, and then me and there's Owen and Chester, my sister and there's Sadie, my sister. We are at the beach."
—HOLLY

"I wanted to do a door on a beaver's house but it goes under there. He lives under the water."
—JAI

"This is me and this is my mom. We are on an island...it's a playground island."
—LOUISE

MALAVIKA:
"My dad and me went to a place and it's like a city. We saw a fish. I drawed a fish here. There was the sun and a butterfly."

"Me and my mom are at the beach. The red and white and orange dots- that's- you know - a starfish."
—AYUME

KATE:
"And that road is far away, which is why it is closing. It goes over here and over here. And I just drive."

"I was walking between two buildings and I was with my mom. It was a sunny day."
