Monthly permits at Lakeshore Plaza

The board discussed whether or not to extend the seasonal monthly permit program in July & August. More discussion will take place at the next meeting on whether or not to continue in September.

At the next meeting, member Nykreim will provide information on "parking lifts". Perhaps lifts could be located at the Auxiliary lot allowing for more employee monthly parking at less cost.

Park & Main restriping

The board unanimously approved the use of \$1,500 from the off-street parking fund to do the re-striping at the Park & Main parking lot.

Other

- The board supports the importance of the City to get the CO system working at the library parking garage.
- Sergeant Brouelette asked when the Taxi zones were going in. Staff will find out and report back.
