

**PARKING SOLVER 101:
JOIN THE GROUP WHO WILL SHAPE THE FUTURE PARKING SUPPLY
IN DOWNTOWN KIRKLAND**

HELP DECIDE
*How parking will
be paid for . . .*

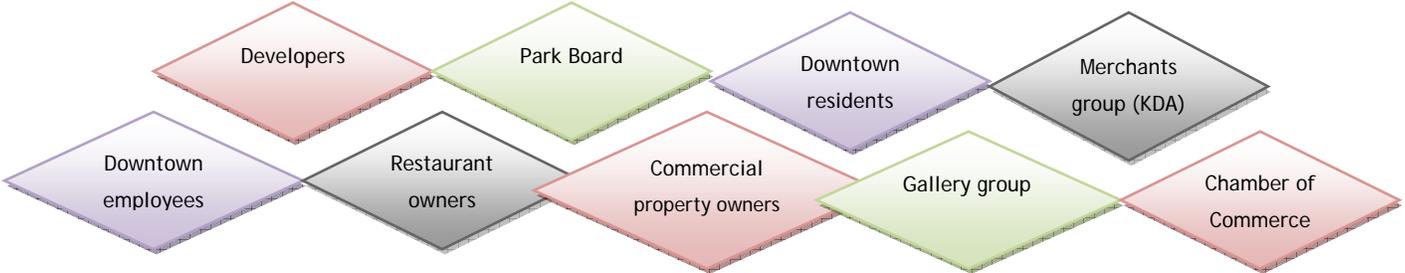

The amount from each is the issue

- Stakeholder Participation
- ✓ Three meetings
 - ✓ 1 - 2 hours for each meeting
 - ✓ First meeting to begin late October to early November
- Meeting Consensus
- ✓ To have a public-private parking plan in place for when the next development opportunity becomes available.

- Issues to Consider**
- Financing and building new supply will require pricing of on-street parking
 - Pricing of on-street parking may necessitate changes to ParkSmart and to the Library Garage
 - Stakeholders will need to study what portion of the cost of new parking ought to be borne by the general public to reflect all types of users
 - Stakeholders will be asked to explore other funding sources

Who are the Stakeholders?
