123 FIFTH AVENUE • KIRKLAND, WASHINGTON 98033-6189 • (425) 587-3800

DEPARTMENT OF PUBLIC WORKS PRE-APPROVED PLANS POLICY

Policy D-1: STENCILING OF CATCH BASINS FOR POLLUTION CONTROL

All new catch basins added to the City of Kirkland drainage system or to private drainage systems must be stenciled with "DUMP NO WASTE - DRAINS TO LAKE" (see Figure 1 below). Also, any existing catch basins which front property being developed must be stenciled.

The stencil must be placed on the street side of the catch basin grate, not on the curb. Use a white traffic zone latex paint. Clean the area to be painted with a wire brush so that the surface is free of dirt.

Any questions should be directed to the Public Works Department at (425) 587-3800.
