DEPARTMENT OF PUBLIC WORKS PRE-APPROVED PLANS POLICY

Policy R-6: REQUIREMENTS FOR “NO PARKING” SIGNS IN THE PUBLIC RIGHT-OF-WAY

"NO PARKING ANY TIME" signs are required to be installed in public roadways when the following conditions are met:

1. On all new roadways where the maximum pavement width is 20' wide, "NO PARKING ANYTIME" signs will be required on one side of the roadway.
2. On existing paved streets where new 1/2-street improvements are being installed, if the new total paved width is less than 24', then "NO PARKING ANYTIME" signs shall be installed along the new frontage improvements.
3. All new hammerheads turn-arounds located within the right-of-way must be signed no parking on all sides.
4. Parking restrictions on existing streets shall be reviewed on a case-by-case basis by the Public Works Department.
5. The Public Works and Fire Departments reserve the right to require different parking restrictions than the cases listed above.
