Template to remind residents on composting program

Hello,

Did you know that **PROPERTY NAME** has started composting service? This is an exciting opportunity to reduce material that is going to our local landfill. Your food waste will go to [Cedar Grove](#) where in three weeks your bones, cheese, pizza boxes and napkins are turned into soil.

Please take a look at the attached poster on what can go in your composting container (grey cart). Then come by the **welcome center/office** to pick up a FREE kitchen food scraps container and compostable sample liners.
