ABOUT KIRKLAND'S RECYCLING COLLECTION EVENT

The twice-yearly Recycling Collection Event allows Kirkland residents to dispose of recyclable items that are not normally accepted during weekly recycling collection service or through product stewardship programs. Instead of going to the landfill as trash, all items collected at the event will be reused or recycled.

Funding provided by King County Solid Waste Division, the Local Hazardous Waste Management Program in King County, and Light Recycle Washington.

For questions, disability accommodations, and alternative formats, Kirkland residents can call (425) 587-3812 or email recycle@kirklandwa.gov. Questions accepted until April 27 at noon. King County residents, call (206) 477-4466 TTY Relay: 711.
