

Reuse Recycle Conserve

by **KIRKLAND CONSERVES**

Make September Sustainable

Free workshops & classes to help you live lighter, in partnership with Seattle Tilth & KCLS

Sept 10

Fall Groundwork for a Healthy Landscape

Explore fall lawn care and learn the best techniques to protect your plants for the winter.

Sign up at kirklandpw.eventbrite.com

Lighten Up: Clear Your Clutter

Clutter is a huge culprit in creating unhealthy homes and lives. Join us for this workshop and learn how to simplify your life, buy less, and make your home healthier and happier.

Sept 29

Sept 22

Green Cleaning Workshop

A sparkly clean home doesn't have to be toxic! This workshop offers great tips, plus you'll take home free cleaning supplies.

Visit the Recycling Center

See what happens to your recycling after it's picked up at the curb.

Oct 6

Sept 24

Designing a Northwest Garden

Fall is a great time to add new plants to your garden. Learn how to design and plant a garden for all seasons in the Northwest.

Wildlife Gardening for Natural Pest Control

Learn how beneficial wild fauna help your plants bear fruit and fight off pests, and how to create a landscape that keeps them on site year round.

Oct 8

Halloween Costume Swap

Trade your old costumes for ones that are new-to-you! Save money and the planet: wear used.

Donate costumes, masks, and accessories and swap for something new to you!

Drop off clean, gently-used costumes at Kirkland City Hall between 8 am - 5 pm the week of October 3-7.

Then, complete the swap by selecting a donated costume at Heritage Hall from 10 am - 12 pm on Saturday October 8! Details at kirklandwa.gov/recycle.

Recycle Old Clothes

Did you know you can donate torn, stained and mismatched clothes with Threadcycle? Damaged textiles can be recycled into carpet padding and insulation. Just don't give textiles that are wet, mildewed, or contaminated with hazardous materials.

Where to Recycle Textiles

September Clothes Drive

We've teamed with Sight Connection for a fall clothes drive. Schedule curbside pickup on select dates in September.

With Your Trash Pick-Up

Call Waste Management at 1-800-592-9995 to schedule pick-up next to your cart. Label secured bag "textiles."

Drop Off Locations

In Kirkland, drop off at Goodwill and Value Village. More locations at kingcounty.gov/threadcycle.

Don't let this happen!
Only rain down
the storm
drain.

Stormwater runoff is the number one cause of pollution in Washington waters.

Any pollution that enters storm drains has an impact: antifreeze, motor oil, soap suds, concrete, dirt, paint, etc.

Sediment, soap, oil and hazardous materials are the pollutants we see most often.

Report
spills 24/7

Get "Water Smart!"

Free Workshop

Join Seattle Tilth at McAuliffe Park for a free hands-on workshop all about getting "water smart" in your yard and garden, from soaker hoses and drip irrigation to rain gardens and cisterns (and everything in between).

Oct 22

Workshop participants will receive free water conservation resources and door prizes. Register at seattletilth.org/watersmart.

Go Waste-Free at Lunch

Free Child's Zero Waste Lunch Kit

Get your free lunch kit at ecoluncheastside.org

Limit 1 per household. Colors vary. Available while supplies last.
