

Kirkland Plastic Bag Reduction Program

TEMPORARY FEE REQUIREMENT SUSPENSION

On April 19th, the Kirkland City Council temporarily suspended for some Kirkland retailers the requirement in the City's Plastic Bag Reduction Policy ordinance to charge customers five cents for large paper bags. Per this change, from May 1, 2016 to May 1, 2017 only grocery, convenience, and drug stores, gas stations, and warehouse clubs are required to charge five cents for large (1/8 barrel/882 cu in or larger) paper bags. Plastic bags remain prohibited at the point of sale.

Retailers for which the paper bag fee was suspended may continue to charge the fee at their discretion during the suspension period. The five cents for each paper bag is retained by the retailer to offset the cost of paper bags.

Retailers that must charge for large paper bags

- ▶ 76 Store #5494
- ▶ 7-Eleven #19911
