

Draft 2010 Transportation Commission Work Plan Ideas.

Items that may occur each year
Joint meeting with City Council. Currently scheduled for June 1
Legislative update (after the close of the legislative session)
Comprehensive Plan 2010 will be a minor update
Neighborhood Plans Houghton and Lakeview are to be updated beginning in 2010, but carrying into 2011
Grants Review grant activity via regular updates
Planning Commission Communication with Planning Commission on issues of joint interest.
Elect officers December.
CIP Support CIP development in a strategic manner. Review funding levels and sources as well as policies that guide priorities. Examine the funded project list at a high level. Discuss before projects are determined. There will not be a major CIP update until 2012.
Neighborhoods Discuss role of transportation commission with neighborhood groups. Involve neighborhood coordinator.
Update on Active Transportation Plan implementation: September
