

Kirkland Transit Center

Construction Update - April 21, 2010

Temporary closure of sidewalk and crosswalk near 3rd St. and Central Way on Friday, April 23, 2010

Beginning this Friday, April 23, construction work will expand to the north end of 3rd Street, where it intersects with Central Way.

This work requires the closure of the east-west crosswalk on the south side of the intersection of 3rd & Central Way. North-south pedestrian access on 3rd Street will also be closed.

Pedestrians travelling east-west on Central Way will need to walk on the north side of the street. The driveway into Kirkland Square from 3rd Street will also be closed for about one week.

Signs will be posted to alert the public about these changes. Pedestrians and motorists are urged to exercise caution and to obey the signs and the flagger.

The single lane for northbound motor vehicles on 3rd Street will not be affected.

For more information about the project [visit our website](#) or contact Roger Pence at 206-398-5465 or [via e-mail](#).
