

**Kirkland Transportation Commission
Notes
Thursday June 25, 2015**

An audio recording is available at the [Commission website](#).

Call to Order

NOTE: There was not a quorum of Commissioners so a meeting was not held. The following are notes on the discussion that took place. The discussion began at 7:30 and ended at 9:15.

Members Present: Mike Snow, Carl Wilson, Glen Buhlmann, Tom Neir; Kirkland Staff Present: David Godfrey, Kathy Brown Public Works Department; Others Present: Adam Parast, Transpo Group.

Letter to Sound Transit

A draft letter to Sound Transit was discussed and Commissioners gave numerous suggestions for improvements including a greater emphasis on overcrowding of existing ST Express Bus service.

Transportation Master Plan

Hard copies were distributed for Commissioner Comments. There was discussion concerning the need to more directly address climate change.

Capital Improvement Program (CIP)

Staff walked through the latest version of the Transportation CIP, answering many of the questions that had been raised at the last Commission meeting.

Work Plan

The idea of a retreat to discuss the Commission's work plan was endorsed.
