

**Two possible mission statements – the first paragraph of each is just slightly different.**

1.

The Transportation Commission is directed by the city council to lead the city's efforts to create and maintain a transportation system that meets the development challenges facing our community and enhances the economic, social and environmental quality-of-life now and into the future.

To fulfill its mission, the commission will proactively explore, investigate, analyze, prioritize, develop and recommend solutions and actions to the city council.
