

# Meeting Agenda

Perteeet

2707 Colby Avenue, Suite 900, Everett, WA 98201 | P 425.252.7700 | F 425.339.6018

Client: City of Kirkland  
Project: 20130240 – Juanita Drive Quick Wins  
Transportation Commission Update  
Date: June 22, 2016 (8:00-8:15 PM)

1. Project Overview
  - Juanita Drive Corridor – Guiding Principles from Master Plan applied
  - Federal funding acquired for design and construction (no R/W required)
  - Scope of Quick Wins (NB shared use lane, RRFB crossings, 98<sup>th</sup> sidewalk, lighting at 122<sup>nd</sup>)
  - Priority Areas (Big Finn Hill Park crossing, 98<sup>th</sup> Connection – sidewalk/bike lane extension)
  - Design Status and Project Schedule
  - Environmental coordination with WSDOT (Preliminary ECS – finalize with final submittal)
  - KC Parks coordination (Big Finn Hill)
  - Drainage – flow control BMPs may be required (3 TDAs)
2. Maintenance Discussion and Use of Corridor (kick off meeting and site walkthrough at 75%)
  - Garbage Collection and Mail Delivery
  - Bike treatments vs. maintenance (guide posts at select locations, centerline rumble strip, profiled line)
  - RRFB maintenance (solar vs. power)
3. Traffic Operations
  - RRFB crossings (layout, lighting, signing, power)
  - Illumination at 122<sup>nd</sup> (north side)
  - Green striping at cross streets and major driveways
  - Signing improvements (replacement of old signs, new signs)
  - Parking restrictions
3. Public Outreach
  - Project Workshop (incl. Cascade Bicycle Club, KC Parks, FHNA) – March 14, 2016
  - Finn Hill Neighborhood Alliance Presentation – March 23, 2016
  - Future outreach – Denny Fest, Juanita Market, pre-construction update)
4. Next Steps
  - Decision on lighting at 122<sup>nd</sup> (ownership, pole types) – Coordinating with Ray Steiger
  - Coordinate with KC Parks on improvements to connections at Big Finn Hill Park
  - Meeting with WSDOT/Finalize decision on 98<sup>th</sup>
  - Coordinate power with PSE for RRFBs
  - Finalize design and submit to WSDOT for funding authorization
