

Addendum #1
Geotechnical Report Peer Review
Request for Qualifications
Job #24-19-PW

Notices:

The RFP for the Fleet Rate Recovery Model project is hereby amended with the modifications listed below.

The City of Kirkland has extended the deadline for submissions after the due date until June 4, 2019. This action is taking place due to the limited response received by the prior deadline.

Firms that have previously submitted do not need to submit again.

Addendum issued on May 22, 2019.
