**Background Information**

The City of Kirkland, Washington is located in the Seattle metropolitan area, on the eastern shore of Lake Washington and approximately 10 miles east of downtown Seattle. It has a population of over 88,000 and is the thirteenth largest city in the State of Washington and the sixth largest city in King County, Washington.

The City of Kirkland has several pieces of Public Art. Recently the “Water Bearers” piece was hit in a motor vehicle accident.

The goal of the City’s RFP is to restore the Water Bearer’s piece and impacts of an accident with a vehicle. The City of Kirkland ("City") is requesting proposals from qualified firms to perform a comprehensive restoration including repairs to the actual bronze pieces. The intent is to select one firm to perform the tasks associated with the RFP. A firm may propose a team approach for completing the comprehensive restoration with one firm being named the primary consultant responsible for contracting and overall scope performance.

Items are currently located at the Parks Maintenance Facility in Kirkland, WA. Any proposals from vendors outside of the area will be responsible for shipping and delivering the art back to Kirkland after repair. Vendor will be responsible for freight in transit including cost and insurance.

**Evaluation Process and Selection of Proposals**

Proposals will be evaluated on the basis of both the firm(s) and individual team member’s experience and expertise on similar projects, as well as upon the team/firm’s capacity (personnel and other resources) to complete the project within the proposed schedule. Factors that will be considered in the evaluation of the Scope of Work submitted will include:

1. Responsiveness of the written proposal to the purpose and scope of services;
2. Qualifications of key individuals in terms of what personnel will be committed to this project and what their qualifications are in producing the end product;
3. Cost/Budget;
4. Ability and history of successfully completing contracts of this type, meeting projected deadlines and experience in similar work.

- Experience/suitability criteria – 50%
- Fee Schedule – 25%
- References and professional expertise – 25%

A selection committee will evaluate each submitted written proposal and each interview (if necessary), to determine the responsible proposer whose proposal is most advantageous to the City based on the evaluation process and evaluation criteria outlined in this RFP. A cost proposal is required as part of the submission. During the final selection process, the City will discuss available project funds and a firm scope of work that will obtain the City’s objectives.

The City will not accept the liability of determining what the proposer considers proprietary or not. Therefore, any information in the proposal that the proposer claims as proprietary and exempt from disclosure under the provisions of RCW 42.56.270 must be clearly designated as described in the “Proprietary Material Submitted” section above.
