

Questions and Answers for

Job order contracting for general construction services

Job# 43-19-PW

The following is the questions and provided answers by the deadline for the identified project.

1. Firstly, I can't find any other allusion to a page limit for this SOQ, could you please confirm that there is not a set maximum number of pages established for this submittal.

5.3 – A: There are no page limits

2. Secondly, please confirm whether you would like us to include our team members' resumes under the section they're requested in (Team Organization, Expertise, and Qualifications of Key Personnel), or in an Appendix at the end of the submittal.

5.3 – A: Include resumes under Team Organization and key personnel

3. Also, based on the Proposal Submittal Checklist and the Attachments provided, it looks to me like we're meant to include only Attachments A-E, but under item 5.8 Other Documents to be Submitted with the Proposal, on page 19, Attachments J-M are referenced. Please confirm that the only Attachments required to be included in this submittal are Attachments A-E.

5.8 – This is an error. Attachment "J" through "M" will be corrected as "B" through "E".
