

Vision Statement

Kirkland

is one of the most livable cities in America. We are a vibrant, attractive, green and welcoming place to live, work and play. Civic engagement, innovation and diversity are highly valued. We are respectful, fair, and inclusive. We honor our rich heritage while embracing the future. Safe, walkable, bikeable and friendly neighborhoods are connected to each other and to thriving mixed use activity centers, schools, parks and our scenic waterfront. Convenient transit service provides a viable alternative to driving. Diverse and affordable housing is available throughout the city. Kirkland strives to be a model, sustainable city that values preserving and enhancing our natural environment for our enjoyment and future generations.

Guiding Principles

Livable

Quality of life: safe and well-maintained neighborhoods with convenient access to parks, recreational facilities, the waterfront, community gathering places, excellent schools, and nearby services.

Diverse and Affordable: neighborhoods containing homes and businesses for a variety of incomes, ages and life styles.

Community Design: High quality and attractive architectural design and landscaping, and preservation of historic buildings and sites.

Sustainable

Ecological: natural systems and built structures that protect and enhance habitats, create a healthy environment, address climate change and promote energy efficiency.

Economic: a vibrant economy offering choices in living wage jobs, businesses, services and entertainment throughout the community.

Social: health and human services that fulfill the basic needs of all people without regard to income, age, race, gender or ability.

Connected

Sense of Community: community involvement in government, schools, civic events and volunteer activities creating a sense of belonging through shared values.

Accessible: safe, well maintained and extensive systems of roads, bicycle routes, pedestrian paths, and transit corridors for all users that interconnect neighborhoods and connect to the region.

Technology: reliable, efficient and complete systems for residents and businesses to be connected, informed and involved.
