About the Green Kirkland Partnership:

The Green Kirkland Partnership is an alliance between the City of Kirkland, nonprofit partners, businesses, and the community to restore more than 500 acres of natural areas in the city (www.greenkirkland.org). The Green Kirkland Partnership mission is to restore and maintain healthy forested and natural parklands by building a supportive community that works together to protect Kirkland's valuable natural resources for current and future generations. Achieving this involves training and supporting volunteers in restoration activities.

Event Summary

Join the Green Kirkland Partnership and Green Kirkland Steward Dave as we spend the morning at O.O. Denny Park. You'll be helping to restore and protect a beautiful lakefront forest with many mature conifer trees and native plants.

At this event, volunteers will assist with environmental restoration activities including: invasive plant removal and maintenance of native plant restoration sites. This includes moderately physical activities, 100% outdoors such as digging/lifting/weeding in forested natural areas. All ages and experience levels are welcome. **Tools, training and gloves are provided.**

Day of Event Lead: Dave K. Cell 206-999-0044

Green Kirkland Organizer: Jeremy Jones, 425-587-3306 <greenkirkland@kirklandwa.gov>
