## **MEMORANDUM**

**To:** Houghton Community Council

**From:** Joan Lieberman-Brill, AICP, Senior Planner  
Adam Weinstein, AICP, Deputy Planning Director

**Date:** August 16, 2018

**Subject:** 2018 City Initiated Comprehensive Plan Amendments, File Number CAM18-00363

### **Staff Recommendation**

Review and recommend adoption of the 2018 City initiated amendments to the Comprehensive Plan and Zoning Map. Specifically, review proposed changes to the Capital Facilities Element Capital Facility Plan tables, Environment Element and Neighborhood Plans geologic hazard areas maps, Land Use Map and associated Zoning Map change associated with a park property, and minor housekeeping amendments to the Introduction and Transportation Element.

### **Background**

Each year the City identifies potential Comprehensive Plan amendments (CPAs) and brings them forward for review and consideration by the Planning Commission, Houghton Community Council and City Council. The amendments are reviewed and decided upon through a legislative process and may involve associated Municipal Code or Zoning Code and map changes.

The Growth Management Act (GMA) authorizes amendments to the Comprehensive Plan once a year, and at a minimum the City amends the Capital Facilities Element annually, to reconcile the Capital Facilities Plan (CFP) with the 6 year Capital Improvement Program (CIP) as required by the GMA. Other amendments are initiated by City staff as needed, and this year there will likely be amendments associated with neighborhood plan updates and other major long-range planning projects.

The Planning Commission held a study session on this year's proposed City initiated CPA's on August 23.

A Planning Commission Public hearing is tentatively scheduled for October 25 to consider public comment and make a recommendation to the City Council for their final decision.

### **Proposed Amendments**

This year's annual update includes CFP updates as a result of changes to funding or timing of existing capital projects, project completion, or the addition of new projects; a rezone of one recent park property acquisition; the replacement of existing geologically hazardous area maps to reflect recent adoption of updated Zoning Code Chapter 85 Critical Areas: Geologically Hazardous Areas regulations; and several minor housekeeping amendments that are not policy related.

The proposed amendments are provided by staff from various departments within the City, based upon their expertise on the subjects being addressed. The City department responsible for providing the updated information is noted after each heading.

1. *Incorporating the 2019-2024 Capital Improvement Program into the Capital Facilities Plan (All departments)*

The amendments, if approved, will bring the CFP Project Tables into consistency with the 2019-2024 Capital Improvement Program (CIP) and 2019-2020 Biennial Budget, scheduled for approval in December.

### **Attachment 1 to this memorandum contains the revised CFP Project Tables.**

The CFP is the policy basis for the CIP and is tied to our level of service standards for transportation, utility, surface water, parks, public safety, and facility services and improvements. The CFP discloses funding sources for capital projects that either add capacity to achieve our level of service standards or enhance capacity and services to the public.

Capital projects are typically projects to construct, acquire, replace, or renovate buildings, infrastructure, land and major equipment.

The new CFP tables will replace the 2017 versions to reflect funding and project changes to the six year CIP to be adopted in December. Any additional modifications between now and December will be incorporated into the adopting ordinance.

The 2018 CFP tables (CF-5 through CF-10) are included as Attachment 1 to the memorandum and noted below. These tables list all funded capital projects for transportation, surface water, utilities (potable water and sewer), public safety (police, fire and building), parks and facilities for a six year period, and also include a multi-year funding plan beyond the six year period for annual capital transportation projects, and a list of unfunded transportation projects over the 20 year horizon of the Comprehensive Plan, or until 2035.

**A summary of changes to all of the CFP tables between 2017 and 2018** is provided in Attachment 2.

Capital Facility Project highlights in 2018 include:

- The construction of the Cross Kirkland Corridor (CKC) Bridge – Transportation Project NM 0086 100 - NE 124th St/124th Ave NE Pedestrian Bridge (construction to begin in 2019-2020)

*Pedestrian and bicycle bridge along the CKC at NE 124th Street and 124th Avenue NE/Totem Lake Blvd. Design is to be consistent with the CKC Master Plan for the Bridge.*

- The moving of Transportation Project ST 0059 102 and ST 0059 103 - 124<sup>th</sup> Avenue NE Roadway Improvement Project from Unfunded to Funded due to the receipt of grant funding secured through the Puget Sound Regional Council (construction scheduled 2021-2022)

Description:

*Widen existing roadway between intersections at NE 116th Street and NE 124th Street from 3 lanes to 5 lanes, include 2-way center turn lane and improve pedestrian crossings. This project will reconstruct existing sidewalk, transit stops and bicycle lanes.*

- New Surface Water Utility Project SD 0121 - Kirkland Advanced Mitigation Project for undertaking habitat restoration and enhancement on City owned property in Forbes Valley as credit for other projects planned projects within critical areas (the first project is to begin in the fall and completed this winter, and the next project is planned for 2020-2021)

Description:

- *The area known as Forbes A (see map below) has an available mitigation area totaling 2.2 acres. It provides significant opportunity for wetland and wetland/stream buffer restoration through the hand planting of hundreds of live willow stakes. The potential wetland restoration area is dominated by a reed canary grass monoculture interspersed with native willow trees. The buffer areas are dominated by a Himalayan blackberry monoculture.*
- *The area known as Forbes B (see map below) has an available mitigation area of 3.1 acres. It provides significant opportunity for wetland restoration through the hand planting of hundreds of live willow stakes. Much of the wetland area also functions as stream buffer for Forbes Creek. The potential restoration area is dominated by a reed canary grass monoculture interspersed with native willow trees.*

The redesignation and rezone will bring the land use designation and zoning into consistency with the intended park and open space use of the parcels. The City acquired these two contiguous parcels totaling 0.50 acre of undeveloped and forested open space in July 2018. Acquisition of the parcels expanded Juanita Heights Park, allowing for enhanced recreation and trail connectivity. Expansion of Juanita Heights Park is acknowledged in the City's adopted Parks, Recreation, and Open Space (PROS) Plan and is also identified in the recently adopted Finn Hill Neighborhood Plan.

3. *Replace Existing Geologically Hazardous Areas Maps (Planning & Building and Information Technology/GIS Departments)*

The City Council adopted Ordinance 4643 in June 2018 to amend the Critical Areas: Geologically Hazardous Areas Chapter 85 Zoning Code regulations. These zoning amendments were required by the Growth Management Act to ensure the regulations for geologically hazardous areas reflect Best Available Science. The amendments included new maps utilizing Light Detection and Ranging (LIDAR) technology, which is a remote sensing method to examine the surface of the earth that gives a much more accurate representation of potential hazards. The new geographic data is represented on two new maps. One shows landslide susceptibility (areas susceptible to landsliding based on steepness of slope and strength of geologic materials) and the other shows liquefaction potential (areas that have deposits that could liquefy in the event of earthquake shaking).

The City is proposing to replace the existing geologically hazardous area map contained in each neighborhood chapter and in the Environment Element of the Comprehensive Plan with these two new maps. The existing (old) map combined landslide and seismic (earthquake hazards) into one map, which is no longer desirable since much more detailed information is being conveyed on each new map. **Attachment 4 contains the new neighborhood and the citywide landslide susceptibility and liquefaction potential maps.**

4. *Minor Text and Map Amendments (Planning & Building and Information Technology/GIS Departments)*

- a. Transportation Element - map amendment  
The proposed amendment adds street names to the Street Classification and State Routes Map (Figure T-15) for context and clarification (see Attachment 5).
- b. Introduction Chapter - text amendment  
The proposed amendment corrects the date of the Juanita, Finn Hill and Kingsgate (JFK) annexation, which was 2011, not 2001 (see Attachment 6).

**Next Steps**

- August 27, 2018, Houghton Community Council study session
- October 25, 2018 Planning Commission public hearing
- December 18, 2018 City Council adoption
- January 2019 Houghton Community Council final approval

**Attachments:**

1. Capital Facilities Plan Project Table Amendments
2. Summary of CFP Amendments
3. Zoning Map Amendment - Juanita Heights Park
4. Geologic Hazardous Area Map Amendments
5. Transportation Element - Street Classification and State Route Map Amendment
6. Introduction - Text Amendment

## CFP TABLES MODIFICATION SUMMARY 2019 to 2024 Changes from 2017 to 2018

### Table CF-5 – Capital Facilities Plan: Transportation Projects 2019-2024

#### SOURCES OF FUNDS

##### **Added:**

Surface Water Reserves for STC 0831300 100<sup>th</sup> Avenue NE Roadway Improvements

##### **Removed:**

Street Operating Reserves for STC 0880100 Neighborhood Street Light Program  
Park Impact Fees for NMC 1200000 108<sup>th</sup> Ave NE Sidewalk Improvements at Edith Moulton Park  
Lake Washington School District Funding for TRC 0930000 NE 132nd St/Juanita H.S. Access Rd Intersection Improvements

Developer funding for the following projects:

STC 0600000 118<sup>th</sup> Avenue NE Roadway Extension;  
TRC 0790100 NE 85<sup>th</sup> St/114<sup>th</sup> Ave Intersection Improvements Phase II;  
TRC 0820100 Central Way/Park Place Center Traffic Signal;  
TRC 1000100 6<sup>th</sup> Street & Central Way Intersection Improvements Phase 2;  
TRC 1030000 Central Way/4<sup>th</sup> Street Intersection Improvements;  
TRC 1040000 6<sup>th</sup> Street/ 4<sup>th</sup> Ave Intersection Improvements;  
TRC 1050000 Central Way/5<sup>th</sup> Street Intersection Improvements; and,  
TRC 1270000 NE 132<sup>nd</sup> Street Roundabout.

#### USES OF FUNDS

##### **Removed/Completed:**

STC 0591100 124th Ave NE Roadway Improvements (North Section) Design  
STC 0600000 118th Avenue NE Roadway Extension  
STC 0831200 100th Avenue NE Roadway Improvements  
STC 0880100 Neighborhood Street Light Program  
NMC 0070000 Cross Kirkland Corridor Connection-NE 52nd Street Sidewalk  
NMC 0120100 NE 116th Street Crosswalk Upgrade  
NMC 0120300 132nd Avenue NE Crosswalk Upgrade  
NMC 0640100 Park Lane Pedestrian Improvements  
NMC 0890000 Lake Front Pedestrian and Bicycle Improvements  
NMC 0900000 Juanita Drive 'Quick Wins'  
NMC 0920000 Active Transportation Plan Update  
NMC 0950000 124th Avenue NE Sidewalk Improvements  
NMC 1090100 Finn Hill Connections  
NMC 1130100 Citywide Greenways Network Project-NE 75th Street  
NMC 1180000 NE 128th Street / 139th Avenue NE Non-Motorized Imps  
NMC 1190000 Downtown Pedestrian Access Study  
NMC 1200000 108th Ave NE Sidewalk Improvements at Edith Moulton Park  
NMC 1220000 120th Avenue NE Non-Motorized Improvements  
NMC 1230000 Totem Lake Public Improvements Phase I  
NMC 7777017 Annual Non-Motorized CAO/SWDM Surface Water Support  
PTC 0010000 Citywide Transit Study  
TRC 0790100 NE 85th St/114th Ave Intersection Improvements Phase II  
TRC 0820100 Central Way/Park Place Center Traffic Signal  
TRC 0911100 NE 124th St/124th Ave NE Intersection Improvements Design  
TRC 0911200 NE 124th St/124th Ave NE Intersection Improvements ROW  
TRC 0911300 NE 124th St/124th Ave NE Intersection Improvements Construction  
TRC 0920000 NE 116th St / 124th Ave NE Dual Left Turn Lanes
