

Free Extra Yard Waste Pickup in November

Please help keep leaves out of storm drains. No fees for extra yard waste in November.

Please help reduce the risk of flooding by clearing fall leaves from storm drains and streets. After you fill your gray cart, place extra yard waste in kraft paper bags or labeled personal containers.

The Adopt-a-Storm-Drain program will be discontinued effective December 31, 2019. Program participants may continue to use reusable bag for extra yard waste but will be charged for an extra starting in 2020.

Prevent Neighborhood Flooding

Leaves and other debris can block rainwater from flowing into storm drains and cause local flooding. City crews sweep streets to keep drains clear, but we need your help!

Keep Leaves + Debris Out of Storm Drains

- ◆ Check storm drains and the surrounding area to make sure they are debris-free.
- ◆ Use a rake to remove debris from the storm drain and road. Dispose of leaves and branches in your gray yard waste cart. Extra yard waste is free in November. Place in paper yard bags, reusable bag, or personal labeled cart.
- ◆ **Call 425-587-3900 if flooding is severe and you are unable to clear the drain.**
- ◆ Never remove the grate from the drain opening. This does not unclog the system and creates a hazard for everyone.
- ◆ **Do not rake or blow leaves from your property into the street. You could be billed for clean-up by the City if found doing so.**

Winter Waste Collection Service

Inclement Weather Waste Collection Delays

Waste Management may delay collection service due to inclement weather or icy road conditions.

If WM is not able to provide service on your regular collection day, they will collect up to **twice your regular amount** of garbage, recycling, and food+yard waste at no additional charge on your next regularly scheduled collection day.

Credits will not be issued for collection service delayed due to inclement weather.

Want a call for service delays?

If you didn't receive service alerts last year, you can update your phone number at

kirklandwa.gov/ourkirkland

1. Click "Request for Service."
2. Skip the address and click next.
3. Under "Type of Issue" go to "Garbage/Water/Sewer Billing" and select "I Want to Receive Waste Management Alerts."

No action needed if you received calls from WM last winter.

Holiday Service Schedule

Collection service is not provided on Thanksgiving Day, Christmas Day, and New Year's Day.

If your regular service day falls on or after these holidays, your scheduled collection will be delayed one day that week.

Remember, you can put out your whole, unflocked Christmas tree (under 6') during the first two weeks of January!
